## Pope Saint John XXIII Award Winner Geraldine “Gerry” Saitta

Geraldine Zanussoe was born July 30, 1939 in Passaic, New Jersey. She attended Carnegie Institute of Technology in New York City, where she graduated summa cum laude and received the Bausch & Lomb Honorary Science Award, along with a four year scholarship to Rochester Medical School. Due to her family financial responsibilities, she declined the scholarship and started her career as a Medical Technologist.

In 1961, Gerry got married and continued to work full time to support her husband while he attended college for electrical engineering. In 1973, the family was transferred to Barstow, California. With both children attending Mount Saint Joseph Catholic School, which was located in a low income area, she began volunteering at the school.

It was apparent that there were many children who had not been immunized and who came to school without a lunch. Gerry began documenting the need to bring a State sponsored hot lunch program and health (immunization) program into the school. After compiling the statistics, she submitted the request for both programs to the State of California’s Department of Health and Welfare. The State approved MSJCS to participate in both programs.

In 1974, the family moved to Huntington Beach and so began 34 years of service at St. Bonaventure Catholic Church. While her children attended St. Bonaventure School, Gerry was always available to help with any project.

In 1972, St. Bonaventure’s Pastor Mon-

signor Duffy established an organization called “Helping Other People Everyday” (HOPE). HOPE’s sole purpose was assisting those less fortunate in making their lives “a bit more livable.” Shortly after arriving at St. Bonaventure, Gerry began volunteering at the HOPE office. In 1978, at the request of the Pastor, Gerry took over responsibility as Director of the program. Under her guidance, HOPE has grown to one of the largest and most respected food distribution sites in the County. Last year alone there were 10,572 households assisted, which translates into 26,635 individuals. Over the years, Gerry’s main goal has been to guarantee that the HOPE Office continues to have the ability to serve all individuals that are in need.

The most dramatic example of this growth is the Thanksgiving and Christmas Basket Programs. During the first holiday season after Gerry took over, 25 families were

## Grand President’s Award: Elizabeth Grammatico

Elizabeth Grammatico from Branch 36, Monterey has been chosen to receive the Grand President’s Award for 2014.

Better known as “Liz”, she has held the title of branch president for the past 12 years, during which time she was also the Central Coast 1st vice president and president. Liz has also held the office of branch trustee, and is currently a district trustee.

In her 12 years of leadership she has taken Branch 36 from approximately 300 members to over 700 today.

As president of Branch 36, Liz mails letters to new members, draws up the agenda for board meetings, plans activities for special events, such as their “85 and over” -- a recognition that last year honored approximately 90 members in that age bracket. The branch’s St. Joseph’s feast

## Young Adult Leadership Award: Kierstyn Spinelli

Kierstyn Spinelli of Branch 380, Thousand Oaks, has been awarded the Young Adult Leadership Award for 2014.

Kierstyn has been a member of Branch 380 since March of 2010. During that time she has held, and currently holds the position of childcare coordinator; was a youth officer in 2012 and 2013; and in 2014 became the youth officer coordinator.

She has been instrumental in growing the activities and programs for the branch’s youth. Her active involvement and dedication has made the branch a place where families and children feel welcome.

Kierstyn plans and supervises themed craft activities, plays with the children, and monitors a provided movie as well. All of the children adore her and don’t want to

## Mother Teresa Award: Rev. Msgr. “Father” Joe Carroll

Born in the Bronx, Father Joe Carroll came to San Diego at age 22 with only \$50. He was ordained in 1974, and in 1982 Bishop Leo T. Maher asked him to lead St. Vincent de Paul. Carroll became known for his TV public-service announcements asking for money, one in which he called himself a “hustler.”

His fundraising success — used to buy more properties for helping the needy — received national attention. By the time he retired, Father Joe’s Villages had 500 employees and a \$40 million annual budget. Services rendered include meals, medical care and housing.

In retirement, Carroll continues to help raise money for various charitable causes. He also enjoys watching movies. And he’s still having lunch with donors: “As long as they’re willing to pay, I’m willing to go,” he quipped.

## Family of the Year Award: The Antonowicz Family

The Antonowicz family isn’t a stranger to receiving accolades, or to the pages of the *Bollettino*. Last year, at the 2013 Annual Convention, the ICF honored Marie Antonowicz, the family’s matriarch with the Grand President’s Award. This year, the family as a whole, is being honored with the Family of the Year Award. A befitting accolade for a family that believes in travelling and staying together.

The Antonowicz family is very dedicated to the Italian Catholic Federation.

Marie Antonowicz, a member of Branch 184 and 191 has held the title of President, 2<sup>nd</sup> Vice President, Orator and Trustee. Daughter Michelle Antonowicz has been and currently holds the title of Financial Secretary. Daughter Germaine Antonowicz has held the title of Trustee. Youngest daughter Denise Antonowicz has been the 1<sup>st</sup> Vice President for Branch 191; Trustee,

selected to receive holiday food baskets. In 2007, the number of those receiving food baskets at Thanksgiving had increased to 836 families (2,974 individuals). For Christmas, 802 families (2,899 individuals) received food baskets, which included gifts for the children and seniors.

In order to ensure that the HOPE Office is able to effectively assist their clients, Gerry works and coordinates with many organizations. Some of those organizations include: Community Action Partnership of Orange County Food Bank, Second Harvest Food Bank of Orange County, Oakview Task Force, Senior Advocacy, Catholic Charities, United Way, Project Self-Sufficiency, St. Vincent de Paul Society and the Armory. Once again, these relationships ensure that the HOPE Office continues to have the ability to serve all individuals that are in need.

Throughout Gerry's life she has exemplified unselfishness, self-sacrifice, determination, empathy and patience. Through her example she has led her family, the individuals in her organization(s) and those that she assists on a day to day basis, to understand that giving of yourself is a privilege not an obligation.

"Gerry stands out as the community partner who has provided the most consistent, highest quality, and longest term service to the community," said Mark A. Lowry, director of the Community Action Partnership of Orange County.

"Gerry's service to a diverse community has extended beyond the boundaries of her parish. Gerry is collaborative and although she seeks no attention, she is well known for the quantity and quality of service that she provides." Lowry said. "She does what she does with a loving and generous heart. She seeks no recognition, but I believe her life of service is deserving of acknowledgement from the Italian Catholic Federation."

In one instance, a senior community was beset by a property management company that was taking undue advantage of the resident. Saitta helped uncover this treatment and through her diligence, the City Council decided to change that management company's contract to expire and to hire a better firm for the sake of the elderly.

Also, city funds for enforcement of local sanitation codes were diverted from an economically depressed housing development in Huntington Beach, but were reinstated through Mrs. Saitta's leadership and intervention.

"In addition to the many programs that she has directed for the needy, she has always taken a lead roll in advocating for those who have no voice," said Fr. Bruce Patterson, Pastor at St. Bonaventure Catholic Church in Huntington Beach, California.

"Gerry is a dedicated individual who does a wonderful job overseeing the day-to-day coordination of the whole undertaking as well as running it special projects and programs (like the food boxes at Thanksgiving and the gifts program at Christmas)," said Rev. Martin R. Benzoni, O. Praem. "She has always impressed me as a strong woman with a sense of purpose who is motivated by a genuine desire to make a difference for the better in the lives of those less fortunate."

day dinner dance brought in 300 people through her planning and leadership. The Christmas Dinner Dance -- for grown-ups and Children's Christmas party are examples of her attention to detail in an effort to make them fun and successful. And she puts on an apron and works in the kitchen besides the crew.

Liz also oversees the scholarship qualifications for 6-8 San Carlos Grammar School students each year.

One of Liz's well orchestrated events is the St. Joseph's Feast Day in March with 400 people arriving for a sit down 4-course dinner. Liz has a special gift of getting those around her to not only volunteer, but enjoy doing so. The volunteers run like a well-oiled machine, and more importantly keep coming back. Further, the event has many traditional touches so attendees have a real sense of what it might be to attend such an even in Sicily.

One example of Liz's success and attention to detail are the Branch 36 Annual Lenten Fish Frys. The Lenten Fish Frys spans 6 weeks and the branch serves more than 750 weekly. These dinners raise between \$20,000 to \$30,000 for the parish. Through Liz's leadership, the volunteers work flawlessly from the kitchen to the tables.

"What I have observed over the many years of attending this event, it has brought the community closer together," said Dan Albert, former mayor of the City of Monterey. "There is a true sense of community in the hall."

"She is an amazing person who sees the best, and brings out the best in every person she encounters," said Teresa Bennett, principal at San Carlos School.

Under Liz's leadership, Branch 36 has been very supportive of the Central Council Ways & Means Committee for many years. The branch arranges to donate the hall for the annual Golf Tournament, then cooks a fantastic meal for the participants, and provides items for the raffle.

"Liz Grammatico is highly respected not only for her administrative skills, but also for her positive and friendly personality," said Past Grand President Leonard Rossi. "She always makes you feel like you are the most important person that she will meet that day. Liz loves her God, her church, and the Italian Catholic Federation."

Secretary, 2<sup>nd</sup> Vice President and 1<sup>st</sup> Vice President of the Santa Clara Valley District; and President, 1<sup>st</sup> Vice President, 2<sup>nd</sup> Vice President, Trustee, Treasurer, Orator and Secretary for Branch 184.

"Needless to say this family is passionate about the Italian Catholic Federation," said Past Grand President and member of Branch 191, Jim Jones. "They work equally hard at both branches as officers, head of committees, serving food at meetings, and practically volunteering for everything. What is most important, they love doing it."

Kierstyn has coordinated games, activities and prizes at the annual branch picnic and has led 10 craft tables at the annual Christmas party. The Family Christmas Party attracts about 200 attendees, 60 of which are children.

Kierstyn has also been a camp counselor at Boys and Girl's Club of Los Cerritos Middle School in Thousand Oaks; she has performed with members of the Santa Susana High School Choir at the Disneyland Park Candlelight Ceremony; she has assisted the Samaritan's Purse Operation Christmas Child Program at St. Paschal Baylon Church; and for 2 years was the religious education hospitality coordinator at St. Paschal Baylon Church.

Kierstyn is currently attending Moorpark College pursuing an Associate of Arts Degree so she can teach preschool.

As Southern California's largest residential homeless services provider, Father Joe's Villages and its partner agencies St. Vincent de Paul Village in San Diego and Martha's Village & Kitchen in Indio, CA have been empowering people to achieve self-sufficiency for over 62 years. What started as a small chapel serving San Diego's impoverished has grown into a cutting-edge provider of innovative housing programs and services. Father Joe's Villages and its partner agencies prepare up to 4,000 meals and provide a continuum of care to nearly 1,500 individuals every day—from infants and adolescents to adults and seniors. This includes over 200 children and over 200 military veterans. As industry thought-leaders, the agencies offer innovative solutions to address the complex needs of the homeless, regardless of age, race, culture or beliefs. The organizations' primary goal is to transform lives and end the cycle of homelessness. To this end they provide housing, healthcare, food, clothing, education, job training and child development in an internationally modeled "one-stop-shop" approach. The organizations' mission is made possible only through the efforts of compassionate staff, dedicated volunteers, and generous public and private donors.

The Congressional Medal of Honor Society

They are well known to the Santa Clara Valley District for their outstanding achievements in decorating, programs, Bishop's Day programs, or wherever there participations are needed. Just a phone call and they are willing to help. – Denise Campagna, past president of Branch 184.

For the past 6 years, the Antonowicz family has opened up their home during the holidays as a fundraiser for the Gifts of Love. One special day in December they transform their home into a magical fantasyland of delicious Italian food and cookies surrounded by the sights and sounds of Christmas at every turn. It takes Marie and her daughters two months to set up this display, which features

fer so much more to our members with children and of course potential members. The ICF needs more young adults of this age group to stay involved for they are the future leaders of the organization. Furthermore, through her investment in and commitment to our children, she is helping to shape the next generation of active ICF members.

"Her enthusiasm and caring for our children is evident in all of her interactions," said Jean Fontana Bridges, member of Branch 380 and the 2012 ICF Young Adult Leadership Award recipient. "Kierstyn never misses an opportunity to help out with anything that may come up. It is clear that Kierstyn Spinelli embodies the Italian love of family and friends, which she is able to share at the ICF meetings."

"Kierstyn is an exceptional young woman. She is honest, mature, and responsible. She truly loves her faith and lived up to her role as a peer minister," said Michelle S. Durocher, director of Confirmation at St. Paschal Baylon. "Everyone who knows her praises her sense of responsibility and giving nature. She truly is a special young woman with a drive to succeed."

and Foundation awarded four Americans with the "Service Before Self honors" medal and Father Joe is one of the recipients. His work to help San Diego's homeless has become a template for other agencies across the nation. He received the medal during a ceremony near the Tomb of the Unknown at Arlington Cemetery in Virginia.

In 1982 Bishop Leo T. Maher appointed Fr. Joe Carroll, director of the St. Vincent de Paul facility for the homeless, which at that time was nothing more than a lunch line and a thrift store. Today the edifice Fr. Joe has created in the Name of Our Lord, has brought MEALS and shelter to the homes. But Fr. Joe realized that meal was only the first step. Now, there needed to be a more substantial collection of programs and services. With that, Fr. Joe developed a "one stop approach" to rehabilitation and since that moment of realization, his on-going projects continue to be successful.

In 2013, Marie became famous for her Chicken Dance education, and coordinating chicken costume. From the Convention in La Quinta, to the Columbus Day Parade in San Francisco, Marie has been wowing and entertaining audiences with her bright, feathered costume, and her joyful chicken-dance moves.

## ICF Enjoys 90th Anniversary Gala Celebration Success

Michelle Feldman  
Editor

The month of June, year 2014, was filled with momentous celebrations honoring the Italian Catholic Federation's 90th Anniversary.

As the founding fathers of this organization created the framework by which the current members and council work, it is a testament to their passion for the Federation that those currently enjoying the fruits of their labor were able to take the time to enjoy each other's company and regale.

Under the leadership of Ways & Means Committee Chairperson Lisa Crudo, the galas were not only a success for the ICF, but they were a monetary success for the Providenza Fund. All proceeds from the galas went directly to the Providenza Fund. Final numbers have not yet been released.

After the last glass of wine was drunk, and the last piece of cake enjoyed, approximately 700 people enjoyed the historic and spiritual significance of these celebrations.

### Chicago

The first of the gala celebrations started in Chicago on Sunday, June 8. The day's festivities began with Mass at St. Francis Borgia Church, followed by a dinner banquet at the Pescatore Palace Hall. There were approximately 160 people in attendance, including ICF members from throughout

the greater Chicago area; Central Council members; and even the great grandson of Luigi and Augusta Providenza.

Central Council Member Teresa Helfand organized the day's festivities that included mass and a dinner dance.

Traveling from California, Grand President Bob Basuino was joined by fellow Central Council members Lisa Crudo, Jim Friebel, Franklyn Lopes, Jr., Marco Galeazzi, Pat Mages, and Andy Pappani.

## Grand President's Monthly Message

by Bob Basuino

Welcome to the 84<sup>th</sup> Annual National Convention of the Italian Catholic Federation in Oakland, CA. How fitting we gather in this great city that for the past few years has been ranked as one of the coolest and most exciting cities in America (according to various magazines and websites). This ranking is based off of Oakland notably having the most number of movie theaters, theater companies, and museums per square mile. It is also known as one of America's more Hipster Cities, for luring the hippies from San Francisco.

I hope you get to experience this hip environment and the excitement of this City as we come together with old friends while making new ones.

Accomplishing this, all while gaining knowledge from our various educational workshops. Your voices will be heard as you vote on the proposed by-law changes and vote for the next year's Central Council members. May our Masses and fellowship bring us all closer to God and our fellow members. I know you will all be filled with a sense of pride that comes with being a member of the ICF.

As my first year of serving you as Grand President comes to a close, I want to extend my gratitude to all of you for your encouragement and cooperation. This includes my family, especially my grandchildren, who have been patient and laid on the guilt when I missed a birthday or baseball game. Nothing that a pizza or bowl of yogurt would not fix. I actually think they looked forward to our celebratory nights out.

We have had an outstanding year celebrating our 90<sup>th</sup> Anniversary with three fabulous gala events. The Masses of Thanksgiving, that started each of our functions, were inspirational and uplifting. Spending time with all those that were able to attend brought such joy to my heart. I have never been more proud to be a member of the ICF and share these days with generations of members.

It also was so exciting spending the weekend in May with members from all our districts working on our Strategic Plan, which will be rolled out at this Convention. A BIG thank you to all of the Central Council members who worked so tirelessly to make these proposals come true.

Once again, to all of our delegates, enjoy every minute of this fun-filled weekend, and

# Honoring the Past As We Envision the Future

Monsignor Daniel Cardelli  
ICF Spiritual Director  
ICFspiritDir@aol.com

**HONORING THE PAST.** Early Italian immigrants who came to America found it difficult to transition from one country to another, one culture to another. They didn't speak the language and were not accepted, at first, in their new country. This made it difficult for them to blend into the social and political norms of the United States. To keep the Italian people close to their Catholic faith and help them integrate into our country, Father Albert R. Bandini and Luigi Providenza founded the Italian Catholic Federation in 1924. Throughout the years, the ICF grew and is now established in the states of California, Nevada, and Arizona and Illinois. Eventually, it grew to a membership of more than 23,000 people. The ICF held people close to each other and, more especially, close to their Faith. The ICF became a strong support to the dioceses in which they belonged and to their parishes and their communities.

Today we reap the harvest of the ICF contribution to our country and our Church. The ICF is well known as a recognized charitable association. It has the respect

of bishops, priests, and parishioners alike. However, the influx of immigrants has diminished; and the membership has fluctuated.

**WE ENVISION OUR FUTURE.** We now embark on the NEW ICF. Today, we emphasize the CATHOLIC more than the Italian. Our organization has evolved into a Federation that stresses outreach and charity as well as fraternity. ICF members support Cooley's Anemia research, the Seminary Burse, Gifts of Love, blood drives, organ donor awareness, and college scholarships. The ICF is also committed to serving its parishes and pastors, its members actively participating in multiple ministries to further the mission of the Church.

All CATHOLICS and non-Catholic spouses of Catholics are welcome as members of the ICF, not just Italians. There are members whose names are Jones, O'Brien, Zasoski, Lopes, Cannady, Friebel, Jarrett, Helfand, Mages, Kilcullen, Price, and many more. The ICF is a family-oriented organization. Children are welcome as members. Besides the outreach, members enjoy social gatherings that include, of course, Italian cuisine, which most people love.

Recently, the ICF launched a process to

study, evaluate, and improve its purpose. It is hoped that the resulting Strategic Plan will move the ICF in new directions that will enable members and potential members to participate in an organization that is passionate about its mission to bring people to Christ.

May this Convention inspire the ICF and spark new life and enthusiasm in its members.

## Strategic Plan, "Moving the ICF into the Future"

Leonard Zasoski  
Grand 1st Vice President  
Task Force Committee Chair

The Strategic Planning process has been ongoing throughout most of the year, starting back in February with the hiring of a planner to help with the development of the plan.

Throughout the process we have had numerous committee meetings along with a survey that was sent to all members for their input, a webinar for further member involvement and a two-day retreat held in May at a hotel in South San Francisco.

The retreat involved Central Council members and a representative from all Districts and areas from throughout the Federation. The purpose of the retreat was to come together for two days as a group to discuss our organization and what we see as our strengths and weaknesses. By meeting together we were able to come up with a plan that would build upon strengths and shore up weak areas.

During the two days our group of 50 individuals had several differing opinions in regards to our strengths and weaknesses, but ultimately we weren't that far apart when we completed the plan outline on Sunday.

After the May Retreat the Strategic Planning Committee had the mission of putting the notes from the retreat into a format given by the planner. It was then reviewed and prepared so that the completed document could be ready for submission to the Central Council at the June meeting. The plan was given to the Central Council members prior to the meeting for their review. At the meeting during the Strategic Plan proposal discussion period there were a few modifications made from the Central Council members in regard to specific wording within the plan. These changes did not alter the content that was agreed upon at the May Retreat. The plan was adopted unanimously by the Central Council at the June meeting.

The plan has several different phases that will be implemented over the next three years, which will involve a close working relationship between Central Council committees, districts and local branches. We will be starting to put into action the first phase of the plan this upcoming year.

A representative from each district attended a two-day retreat held in May at a hotel in South San Francisco to provide feedback for the Strategic Plan.

The Task Force Committee will be recommending to the Grand President's committees to oversee and review implementation of the plan quarterly. The plan is a living document that will be reviewed yearly, and if needed, it can be modified or changed to meet the goals stated in the outline of the plan.

The Task Force Committee felt that input from our members was, and is, vital to the success of the plan and the growth of our organization. We will continue to solicit our members' input as we go through the process.

At this time I would like to thank the Strategic Planning Committee members for their commitment and dedication. I would especially like to thank Roselyne Jarrett for her accounting of the expenses and organizing the planning of the May Retreat; Vince Piro for putting the information that was gathered at the Retreat into the templates given to us by the planner; B.G. Zasoski, a non-committee member who had the task of typing the notes from both the February Meeting and the May Retreat; and lastly to the Denner Group, Eric and Jerri Denniston, who were a vital part of the process for preparing a plan.

This Strategic Plan is our plan, not someone from outside the organization's vision for our future, but our vision. The plan was created with input from all levels within the Federation.

The Task Force Committee looks forward to the success of the Italian Catholic Federation, for not only our current members but also for the next generation.

We hope that more districts, branches and individuals will be able to participate next year so that the hospital can continue these beneficial activities.

Thank you to the following branches and individuals that sent in donations for activities at Children's Hospital Oakland for its Cooley's Anemia patients. We collected a total of \$2,625.00 for 2014, and have sent this donation to Children's Hospital.

This donation will support the hospital's Summer/Fall patient programs by helping with sending patients to the Painted Turtle Camp, picnics and outings, family conferences and patient retreats. It is wonderful that we can assist Children's Hospital with the needs of the patients and their families.

Your generosity is greatly appreciated and we thank you for contributing once again and taking part in our Apostolate/Charity Program.

# CC Candidates 2014-2015

## Maria Abate

**Br. 392, Chicago, Illinois**

Ciao a tutti! My name is Maria Francesca Abate. Presently, I am in my senior year at Elmhurst College. My major is Organizational Leadership & Communications. Upon graduating I plan on focusing on Human Resources Management with an emphasis on training and development strategies. I am an active member of the Human Resource Association. I am highly involved in my community and serve the Italian Catholic Federation. I am very passionate about what I do, and someone once told me, "Maria, you just do not have a mean bone in your body." I enjoy helping others and love to impact others in a positive manner.

At the tender age of 10, my father passed away; this is something that no child should experience. My mother has been very inspirational to me with her encouraging words and made it possible for us to join the Italian Catholic Federation, which has become a second family to us. The Federation was welcoming, and I have always been heavily involved with various activities since I was young. One of the greatest accomplishments I achieved this year was to build my branch its own website as I felt there was a need to enlighten the public about what the organization has to offer. In the past 16 years, I have accomplished so many great things as a proud member of the Federation, which I dearly support in its efforts. At the end of day we are family and family always stays together.

My goal as a member of the central council is to increase membership, help train responsible officers, and last but not least extend our services to other branches who are in need of our support.

Keep smiling!

## Denise Antonowicz

**Br. 184, Los Gatos, California**

My name is Denise Antonowicz and I am running for a position on the Central Council. I have been a member of the Italian Catholic Federation for 49 years and a member of Br. 184 Los Gatos for all that time. I have held every office in our branch and am a four time president. I am currently the president of Br. 184, St. Mary's in Los Gatos, 1st vice president of the Santa Clara Valley District and a member of Br. 191, St. Frances Cabrini in San Jose.

I have been an active member in the ICF, and I feel I have a lot to offer. Our family, for the past 10 years, has held an open house and collected about \$1,000 each year for Gifts of Love or scholarships. I was a participant in the recent Strategic Plan Task Force workshop in San Francisco, and am hopeful that this will give our organization the fresh outlook it needs.

I love the ICF and will work to bring it back stronger than ever. We are constantly telling each other what great works we do, but I feel we are remiss in sharing this with our communities. Through promoting our works of charity, our scholarship fund, the work in our parishes, fundraising for Cooley's Anemia Research and Gifts of Love, and of course, our work with seminarians and Bishops, we can show just what we stand for; faith, family and our heritage. We are the best examples of what it is to be a member of the Italian Catholic Federation; let's show it off and be proud to be a member.

With your prayers and votes, I will help recreate the Italian Catholic Federation to be the vibrant, living organization that I truly believe it is.

## Lisa M. Crudo

**Br. 343, Castro Valley, California**

I have had a wonderful and exciting 2 years on the Central Council. I have enjoyed meeting so many new people in each district that I have visited, and I hope to meet many more of you. During this past year I have attended many Installations, Bishops' Days and Anniversary dinners. It has been my pleasure to reach out and, hopefully, have been a positive resource for all of you.

I was elected as a Grand Trustee this year, and have been learning so much about the inner workings of this wonderful organization. I was chairperson for the Ways and Means committee and had the pleasure of supporting my committee members as they planned and organized three separate gala's celebrating our 90 years. I have also served on several other committees. The Apostolic/Charity committee with Chairman Jim Acitelli, and fellow Central Council Members Vince Picciola, and Michael Cannady are like the trunk of the ICF tree. It is the basis of all the work that we do. It has been so rewarding helping this committee reach out to all of you with our monthly articles in the *Bollettino*. I have also served on the Live to Give committee with Chairperson Jane Dianda, Nina Malone, Laurice Levine, Jim Acitelli and Al Teglia. We have been fortunate to have been able to host blood drives at our conventions. Working towards a cure for Cooley's Anemia is one of the most satisfying and rewarding aspects of the ICF. I am also serving on the Convention Directors committee, and am looking forward to a wonderful convention in my home district.

Nothing gives me more pleasure than meeting and spending time with all of you. Thank you for allowing me to serve for the past two years, and I look forward to many more years of service as your Central Council member.

Thank you for your kind consideration.

## Marco Galeazzi

**Br. 139, Manteca, California**

My name is Marco Galeazzi, and I am asking for your vote to return me to our Central Council of the ICF. I have been on the CC for four years, and will keep working hard for you and this great organization.

If you think a pamphlet, brochure or a name tag will save this organization, you are wrong. What will save this organization, is hard work from you and me, and our true belief and love of the ICF. I believe that the membership is our #1 concern for the ICF. Everyone must bring in one member. It might take one person you ask to join, but it might take 100. Do not give up! Practice in the mirror on how you will ask and what you will say to the prospective member. Let them know what the ICF does. Remember, the new member does not have to be of Italian descent, just have the heart and appetite of an Italian. Keep them involved, informed and welcomed.

We do need to change the performance of the ICF, if we are to survive. The Task Force is a beginning, but we need more input into this process. We need to also change some ICF Central Council Statutes. One of the statutes that I believe needs to be revised, is the statute that the CC picks the officers of the CC. The delegates at the convention should pick the president and other officers of the CC. Another statute I believe that should be revised, the CC members should have staggered terms of two years, where you vote for half the board every year. This will make the CC more accountable to its members, for its actions.

Thank you and please vote Marco Galeazzi.

## Teresa Helfand

**Br. 392, Chicago, Illinois**

I have been part of the ICF family for over 20 years having joined the St. Francis Borgia – Branch 392 in January 1993. Since then I have held many posts at Branch 392, at the Chicago District Council, and have been a Central Council member for five consecutive years. My responsibilities, while at times challenging, have been quite rewarding. During the past five years I have been a part of many of the Central Council committees. This opportunity has given me a broader knowledge and insight to better serve you and the ICF. The positive experiences have helped me grow as an individual and strengthen my faith. Thanks to all my ICF colleagues and friends!

In keeping with our Catholic heritage and traditions I continue to focus on charitable works, support my local parish, and take an active role in my community.

Like you, I am a firm believer in helping others. Promoting the ICF charities and programs have remained priorities. Supporting parish fundraising initiatives and volunteering at Radio Maria (religious

programming in Italian for our elderly, sick, and shut-ins) are still very much a part of my everyday work.

I continue to be active in parish affairs and promote the ICF and what we stand for. Accordingly, I serve on the European American Advisory Board of the Archdiocese of Chicago, representing the Italian Community, and am Vice-Chair person of the St. Francis Borgia Apostolic and Parish Pastoral Councils.

My platform is simple. If re-elected I promise to continue with my apostolic work and fundraising activities, campaign for new branch openings and grow membership. With faith, prayers and camaraderie we can achieve the ICF goals. Let's work together to keep our founding fathers' visions alive!

Please vote for me for Central Council.

## Anne Interrante

**Br. 380, Thousand Oaks, California**

I joined the Italian Catholic Federation in 1999 as a member of Branch 380 in Thousand Oaks. Along with my husband, Richard, and children, Marisa and Ryan, we have served the ICF for almost 15 years.

I held the offices of President, 1st Vice President, Trustee and Membership Committee Chairperson, and assisted on numerous other committees for my branch. In 2004, I was privileged to receive the 1st ICF Young Adult Leadership Award. I was also responsible for starting many new programs – childcare at meetings, Italian language classes, ladies' luncheons, a Youth Officer Program, and more. The Youth Officer Program offers a way for our youngest members to stay involved and grow in leadership. We now have 15 elementary/high school aged children serving in our branch.

I have assisted with two presentations at our ICF national conventions – "How To Become A Successful Branch" and "Heritage Programs". I served as a member-at-large for the Central Council Ways and Means Committee and participated in a forum for the Strategic Plan.

My goals as a Central Council Member include sharing successful ideas from not only my branch, but other branches in the ICF through our website and Bollettino so that they can be utilized right away to build membership. I plan to participate as a presenter in branch and district workshops. I firmly believe my experience, commitment, enthusiasm and positive attitude will be instrumental as we go forward with our Strategic Plan. These are just a few ways I plan to help!

I thank the members of Branch 380 for their friendship, encouragement, and support as I offer my candidacy for Central Council. I am blessed in so many ways by being a member of the ICF. It would be my honor to serve you.

## Lauren Kilcullen

**Br. 52, Healdsburg, California**

Buon giorno cari fratelli e sorelle, I am Lauren Kilcullen from Br. 52, Healdsburg and I humbly ask for your vote for Central Council. I have been an active member of the ICF for 33 years, joining when I

was 15 years old. Throughout my years with the Federation, I have held many offices, including Santa Rosa District President; Santa Rosa District Deputy; Deputy to Br. 18, St. Rose; Recording Secretary of Br. 52, Healdsburg; and am currently Trustee for Br. 52. In addition to my leadership roles in the district and branch, from 1990 – 1996, I was production manager and editor of the Bollettino. In 2004, I was honored to receive the Grand President's Award.

Throughout my years of membership, the ICF has become a second family to me and my parents. Heritage, faith and family are especially important to me and I believe the ICF is a unique organization that places equal emphasis on all three aspects. We are one of the few organizations that welcome and encourage the entire family to join and become involved in our activities. I know at Br. 52, Family Memberships are very important to us and have been a key to our growth in the last few years. On Sundays, as I look around at Mass at St. John's in Healdsburg, the church is full of ICF members, many of whom participate in assisting with Mass.

I think the ICF is still a relevant and needed organization in today's world. I have read the Strategic Plan and am encouraged by its goals and plans for our future, as it addresses key issues as a solid base for our future.

With your votes for Central Council, I hope to continue the work of the ICF into the future. Grazie! Ciao!

## Franklyn Lopes, Jr.

Br. 227, Capitola, California

As we meet in Oakland, I want to thank you for the support you have given me this past year. And I ask that you continue to support me as a Central Council Member.

Born and raised in Santa Cruz, CA., I am of Italian-Portuguese heritage. I currently serve as a Trustee of the Central Council, Chairman of the Heritage Committee, and member of the Ways and Means and Finance Committees, President of Branch 227, Capitola, CA and 2nd Vice of Central Coast District. Also, Past Deputy of Branch 21, Santa Cruz. I have been a volunteer with the Dominican Hospital Foundation Guild in Santa Cruz for the past 12 years, served as President of the Guild in 2008, and serve as usher at St. Joseph's Church in Capitola. I have owned Stewart's Floral in Santa Cruz for the last 15 years, and I especially enjoy flower arranging and gardening.

It is my hope of being re-elected to the Central Council so I can continue what our founders, Luigi Providenza and Reverend Albert R. Bandini, started 90 years ago. My main goal is still to achieve an increase in membership throughout the branches, in addition to bringing before the Central Council those issues most important to the members. I will continue to work hard for the Federation and to help it grow stronger in every way-through family, heritage, charity, and spirit.

I look forward to seeing you all in Oakland. Please stop by my hospitality room and say

"Hi". And again I ask for your continued support for me as your Central Council Member.

God Bless you all.

## Pat Mages

Br. 67, Los Angeles, California

This is my second year with Branch 67. Thank you Branch 67 for sponsoring me this year. For the past 24 years I've also held the offices of president, first and second vice-president, trustee for Branch 380, and chaired fundraising events. In 2002, my husband Lou and I were honored with the Pope John XXIII Award.

My family consists of Lou; daughter Stephanie, husband, Kevin, and sons, Louis, and Konrad; son Phil, wife, Danielle and daughters, Annelise and Katherine; and cocker spaniel, Sweet Caroline.

For 31 years I've been an advocate for victims of family/domestic violence; currently with the Port Hueneme Police. And, I'm a Para-professional with the local school district, working with severely disabled students, mainly autistic. These amazing individuals have taught me more than I will ever teach them.

I've been a member of Central Council for 5 1/2 years. This past year I served as Chair of the Gifts of Love Committee; a member of the Ways & Means (chaired the successful Los Angeles 90th Anniversary Gala); and Task Force Committees. One of my main goals as a Central Council member is to include more of the general membership on the various committees. I'm happy to say that the Gifts of Love Committee accomplished this goal. At least 15 new members are involved with this worthwhile committee. We've met in Roseville, Long Beach and Oakland, plus, integrated the use of conference calls to those who wish to participate. My other goals of increased membership and member retention are being addressed through the Task Force's proposed Strategic Plan. The Task Force is implementing input from everyone, most importantly, from the general membership. This plan will represent all members, not a select few.

Let's work together to meet the challenges of the 21st Century, for a strong family-orientated ICF.

## Andrew J. Pappani

Br. 28, Gilroy, California

Ciao, I am Andrew J. Pappani from Branch 28 of Gilroy, Calif. (know as the Garlic Capital of the World) in the Santa Clara Valley District.

I am running for re-election to the Central Council of the Italian Catholic Federation.

Let me give you a brief history of my life in the ICF for those that may not know me.

I was born in Healdsburg, Calif., on December 17, 1955 to Harry and Katherine Pappani. I am the youngest of six children.

I married my very lovely, lovely wife Siria (known to most as Sid) in 1978 and we have two sons: Andrew Joseph Pappani Jr., living in Aspen, Colorado and

Anthony Louis Pappani and his lovely wife Dominique living in San Clemente, Calif.

I joined Gilroy, Branch 28, in 1980 and served several offices including President for three years then moved up to District level and held several offices including District President for a three year term and Branch Deputy to several branches in the Santa Clara Valley District.

At the 2006 Convention I ran for Central Council and was elected. I held the office of Sergeant of Arms for a two year term and a two year term office as a Grand Trustee. I currently hold the office of Grand Second Vice President of the Italian Catholic Federation.

I have served on many committees including Public Relations, Gifts of Love, Scholarship, Ways and Means, Finance and Executive Board. I am currently the Chairperson for the Hospitalization Plan.

As a member of the Central Council I am here for you (TO HELP KEEP THE FIRE BURNING).

I thank everybody for their past and present support and let us all stand together for the future of our Italian Catholic Federation.

## Vince Piro

Br. 39, Merced, California

People often ask me, "What do you think the future of the ICF will look like?" I have come to say, "The Lord's Banquet Table on Italian night." Our organization is grounded in our Catholic faith. It is the table at which we all sit. However, the meal is distinctly Italian. It is our night to serve the meal and we do it by drawing on what our ancestor's taught us. We serve up meatballs, polenta, risotto, pasta, calamari and wine. However, in a Christian spirit, we invite our neighbors to our big Italian dinner table, and we also make them feel welcomed and valued by asking them to add to the meal. We scoot our chairs over and ask them to join us and to share their stories, too. We all have the same faith, so there is much to share: our belief in God, our love and commitment to our church, and our concern for the less fortunate.

This is how I see the future of the ICF. If it is a vision you can believe in, I ask that you reelect me to the Central Council.

Over the last year, I have worked hard on the Task Force Committee to create a Strategic Plan that while looking forward also honors our past traditions and customs. I believe that we must focus on membership recruitment and retention, leadership, finances, and community involvement over the next few years. Last year, I also chaired the Public Relations Committee, which hired a new printer for The Bollettino, improving print quality and delivery time. I also served on the ICF Executive Committee this year. These are accomplishments that I am proud of and illustrate my commitment to the Federation. It would be my honor to serve the Federation again.

Please turn the page for more candidates.

## Julie Richards

Br. 25, Salinas, California

At last year's convention in La Quinta, I ran for Central Council for the first time. I was amazed at the support I received. It was great meeting all of you and listening to your concerns for the future of the ICF. I'm excited to run as a candidate in Oakland. It would be an honor to serve you as a Central Council member and lead our Federation into the future. I feel proud knowing that I am carrying a 90 year tradition forward by doing all I can to help grow and preserve the ideals this great organization of ours has to offer.

Born and raised in Salinas, California, I am Portuguese and Swiss Italian. I am a 25 year member of the ICF, currently district president of the Central Coast District (the largest district in the ICF). I'm president of Branch 25, Salinas, Sacred Heart Parish. I take pride in being a good organizer and fundraising planner. I have hosted many charitable events at my home including the ICF district picnic and Christmas parties. It's a chance to meet new people and raise money for charitable causes and meet potential new members. That my friends is why I love the ICF.

I hope you will give me the opportunity to use my talents and experience I have gained in running a branch and a district to serve you. The ICF is a great organization, I want all its members and branches to succeed. By supporting me with your vote, I will work toward that goal. Nothing would give me more pleasure than to have the chance to meet and talk with you in Oakland about your ideas for the success and future of our Italian Catholic Federation. Thank you for your support and vote.

## Deborah Rodondi

Br. 19, Colma, California

Convention time is once again upon us, a time of renewing friendships and making new ones, sharing our faith and heritage. I look forward to seeing and visiting with you this year in Oakland.

I want to thank all of you who have helped and guided me as a Central Council Member for the past 6 years. It has been an honor to serve; an adventure meeting members at the Branches/Districts, the friendships bonded are priceless and enriching. As a Central Council member, I hold the office of Grand Secretary, Scholarship Committee Chairperson, member of Finance, Task Force and Convention Director's Committees. At convention I will be taking care of registration, the Pedro Tournament and Credentials. Currently I am Secretary of the San Mateo District (7 years) and Treasurer of Branch 19 Colma (12 years).

When I moved back to California in 1998, Mom (June) was the reason I became a member of the ICF. Her love and devotion for the Organization fueled me to become a very active member and be where I am today. My parents taught me that we are individuals that work together for common

goals: spirituality, apostolate, heritage and friendship. We work hard; yet have fun. We go out into the community promoting our faith and heritage. Keeping lines of communication open and awareness of each other is essential for our success.

I ask for your support and vote, so that I can continue my journey as a Central Council member. Thank you for being a part of my life and believing in me and the Federation.

#### Leonard Zasoski, Jr.

Br. 281, Bakersfield, California

I have had the honor of serving you on the Central Council for the last seven years. This has been a very rewarding experience seeing all that the ICF has to offer to the parish communities throughout the Federation. You, the members, are to be proud of all that has been accomplished in the past, and what we can continue to strive for in the future.

This year we have adopted a Strategic Plan, which will be used for guiding and growing our organization. We need to focus our energy from this convention along with the

Strategic Plan and put into action the areas outlined for this year. This will help us grow our organization and move in a direction that will best attract and keep all members.

For our success in the future, a big part will be to not only involve our newest members but we must engage and listen to the younger members for their input, as this will become their organization in the future. We can upgrade our organization by making the changes necessary to meet the next generation's wants and desires, all while continuing to be a vital part and giving back to our parish and community.

All organizations such as the ICF have a life cycle. God helps us in many ways and he had a purpose for giving the foresight to our founding fathers in the creation of the ICF.

Now is the time to build upon the foundation set forth by our past leaders and members.

We have received a great treasure in being part of the ICF. Our life cycle, as a viable organization, is far from over and the future can be as bright as we make it.

It would be a privilege serving you again on the Central Council.

## 3rd Annual Convention Blood Drive

“90 Units for 90 Years”

Friday, Aug. 29, 2014 – 8:00am to 1:00pm

Marriott Oakland City Center – Oakland, CA

This year, as you know, the Italian Catholic Federation is celebrating its 90th Anniversary. For 90 years, our wonderful Organization has provided countless hours of service to its communities. To continue these great efforts and to commemorate the past 90 years, the theme for the Live to Give Committee's 3rd Annual Convention Blood Drive is “90 Units for 90 Years.”

The past two Convention Blood Drives yielded a total of 50 units of blood. We need 40 more units to make our theme come true and to reach the magical number of 90. Donating blood at this year's Convention in Oakland, CA is a great way

for you to contribute to this significant milestone.

## Gala Celebrations

*continued from page 1*

Mike Providenza, the great grandson of Luigi and Augusta Providenza spoke of the importance of the ICF to not only his family, but himself.

There was a special presentation to Vince Picciola, the newest Central Council Member to move to the role of Life Member Emeritus. His years of service to the ICF and the Central Council are to be commended.

Those in attendance said it was a beautiful day and a great celebration.

### San Francisco

Moving to California, the gala celebrations made a stop in San Francisco, and paid homage to the birthplace of the Italian Catholic Federation with mass at Immaculate Conception Chapel, home to ICF Branch 1.

The Most Reverend Robert McElroy, Auxiliary Bishop of the Archdiocese of San Francisco, presided and was joined by Immaculate Conception Pastor Father Guglielmo Lauriola, ICF Spiritual Director Monsignor Daniel Cardelli, and 8 branch and district chaplains.

There wasn't even any standing room left in the chapel, as those in attendance were witness to a very spiritual event. The readings were done by Ann Bottino-Briones and Caroline Briones, the grandchild and great-grandchild of Alice Providenza Bottino.

Once mass was complete, the day moved on to the Basque Cultural Center. The packed house of more than 350 guests enjoyed a delicious dinner.

Dante Galeazzi and Leonard Rossi were the night's emcees. The program included honoring the past grand presidents in attendance and a presentation of Resolutions for the Italian Catholic Federation from the State Senatorial Department.

Even though all the proceeds are going to the

Providenza Fund, a special presentation was granted to Reverend Gladstone Stevens, the President-Rector of St. Patrick's Seminary. An anonymous donor generously donated \$25,000.00 to further the education of the seminarians.

All in all, there were 8 past grand presidents, 28 Central Council members, and 8 clergy members in attendance.

It was a day no one is soon to forget.

### Los Angeles

Los Angeles rounded out the month of celebrations.

On June 29, the gala began with mass at St. Peter's Italian Catholic Church in Los Angeles, home to ICF Branch 67. Fr. Louis Piran presided over the Italian Mass said to a capacity crowd.

Central Council Member Pat Mages oversaw the day's activities, which included a buffet luncheon at Casa Italiano, the hall across from the church.

Members from the Los Angeles District and San Diego filled the hall. There were more than 185 people in attendance.

Presentations were made by Co-Chair Pat Mages followed by a presentation of certificates to ICF Grand President Bob Basuino from Los Angeles Mayor Eric Garcetti by Los Angeles Archdiocese District President Carmelo Sabatella followed by letters of congratulations to ICF on their 90th Anniversary from Los Angeles County Supervisor Michael Antonovich and Governor Jerry Brown and a beautiful plaque by Branch 67 President Nick D'Egidio.

The musical duo Duo Domino provided the dinner and dancing music building up to the Traditional Tarantella that had almost everyone to their feet and into one or more of the four giant circles of dancers.

With the success of these three gala celebrations it is a wonder what can be planned for the ICF's 100th anniversary. There are only 10 more years to go to find out.

of the work that you did. Our Providenza fund was supplemented by this gala, and the seminarians in the Diocese of Chicago will benefit from their labors.

Thanks again to Teresa and her committee for making my job as Ways and Means Chairperson so easy! Much love and blessings to all of you!

### San Francisco Gala - June 22, 2014

Sunday, June 29 was an historic event! 10:30 Mass at the Immaculate Conception Chapel in San Francisco, where the ICF first began was a beautiful celebration. The Most Reverend Robert McElroy, Auxiliary Bishop of the Archdiocese of San Francisco, was our presider and he was inspirational to say the least. It was also such a blessing to have so many other branch and district chaplains, including our own Spiritual Director, the Reverend Monsignor Daniel Cardelli. Also, I can't say enough about sweet Father Guglielmo Lauriola, the loving pastor of Immaculate Conception. He was beside himself with joy at having the celebration at his beloved church. Everything was perfect, from the music, (led by Karen Rossi, and members

# Thank You!

Lisa Crudo  
Ways & Means Chairperson

As Chairperson of the Ways and Means Committee, I would like to take this opportunity to thank everyone involved in making all three of our special 90<sup>th</sup> Anniversary Galas so very successful. Even though I have special thanks for each of my event chairpersons; Teresa Helfand, Dante Galeazzi and Pat Mages, I cannot begin to express to all of you how heartwarming it was to see such dedication and enthusiasm expressed by all who attended these three functions. All in all, there were over 700 members who took the time to celebrate this most momentous occasion. It makes me so proud to be a part of such a caring organization. It is all of you, dear friends, who played a part in supporting our Providenza fund and most importantly the seminarians who may well become our future chaplains and spiritual guides. This is what the Italian Catholic Federation is all about; this is what it means to serve God and one another. Thank you, from the bottom

of my heart!

### Chicago Gala - June 8, 2014

On Sunday June 8, we began our celebration with the first event of our "triple-crown" of Galas. Chicago hosted the event with a lovely Mass at St Francis Borgia Church followed by a delicious dinner banquet at the Pescatore Palace Hall. There were approximately 160 people in attendance including our Grand President Bob Basuino, and many other Central Council members. Mike Providenza, the great grandson of Luigi and Augusta Providenza was also in attendance. There was a special presentation to Vince Picciola, who will become life member emeritus later this month. I would personally like to thank Teresa Helfand, and all of the Chicago members who made all of us "Californians" feel so welcome. Their warmth and hospitality were greatly appreciated. A very special thanks goes to all the members that contributed to make the event so successful. From the Mass, celebrated by Father Feccia, to the delicious dinner and wonderful raffle, everything was perfect! You should all be very proud

Calumet City

St. Victor, Br. 195

In July, twenty-five members from Br. 195, celebrated another Day of Recollection with a trip to St. John, IN, and a tour of Christ's Path of Passion with a wonderful narration at each Station. After our tour we enjoyed Box Lunches of Teibel's famous fried chicken on the Patio adjoining the gift shop. Jane Rowland (195 member) joined us on this Day of Recollection. Jane is Director of the Calumet City Library and has done great things in Programs at the Library.

In July, St. Victor hosted VictorFest 2014 with music, food, arts and crafts. Some 195 members who worked tirelessly to make this a success were Denise Kelly, Mary Alice Kelly, Ruben Rodriguez, Ann and Stan Long. Others contributed by patronizing the events. We are most grateful to our member Len Casey for paying his own expenses associated with his being 195's Convention Delegate. This is a significant cost in view of our diminishing fundraising ability. We are, however, working hard to sell our Convention raffles.

St. Victor has one of the most talented Music Directors in the Archdiocese in Dr. Michael

Members and officers of the ICF Central Council along with President Anna Tamburello and officers from Branch 439.

Koller (he's M.D. to a number of priests in the Archdiocese), and we are saddened since he is experiencing serious health issues. He is currently in an intensive treatment program and we ask our branch and St. Victor Community to pray for him every day since we are not the same without his leadership.

Br. 195 member Bob Faising has authored a book titled Slovaks in Chicago - its available on Amazon or contact Jo. Our wonderful Associate Pastor Fr. Bob Sprott has left us to go to St. James Church in the Bronzeville neighborhood in Chicago. Condolences to the family of Adeline Baroni, who passed away on June 24. Adeline has been an ICF member since 1957. We are also saddened by the passing of Gino Ruggeri, long time parishioner at St. Victor and supporter of our St. Joseph TAVOLA. Our Nite at Balmoral Park is scheduled for September 6. Best wishes for a successful convention in Oakland.

God Bless,

Jo Merlo

"Do not forget that your life does not belong

to you, but it is a gift with which you must bring joy to others". And that gift was enjoyed by many who attended the summer celebrations. The Chicago district 90th anniversary in June of the ICF was fantastic and well executed by the committee. In July, 30 golfers enjoyed a good day to play the game. 10 other non-golfers came by for dinner that was real yummy. The day closed with many winners of the raffle prizes taking their gifts home to be enjoyed and remembering the great time they had. A big "thank you" to Al Cimino who was responsible for the well-organized Chicago district fund raiser. Our branch will visit the retired Scalabrinian nuns on Sunday, Sept. 7th at 2 pm. They really enjoyed seeing us the past 2 years. The summer is swiftly leaving us; hopefully we all enjoyed its short stay in Chicago. We look forward to the last district fundraiser for 2014-the Nite @ the Races on Sept. 19th @ Maywood Park Race Track. Invite your friends for a great evening and worthy cause. Some of our members are enjoying birthdays -- Cathy Pope, Josephine Karr, Philomena Frischberg and Joe Santello. Will close this month's article with a short reflection... Each of us has a job to do in life even when ill or retired. Blessed we are when we find our daily work something to look forward to each morning. There are many who lack any

means of making a living. Even the humblest task is ennobled when done in God's sight and for His honor.

## Chicago

Our Lady Mother of the Church, Br. 439

On June 8<sup>th</sup> ICF Branch 439 members and their families celebrated the ICF 90<sup>th</sup> Anniversary in Chicago. The event began with a mass at St. Francis Borgia Church, followed by the Gala Anniversary Celebration at Il Pescatore Palace Restaurant. It was a wonderful event shared with members from Central Council and other Branches. On June 13<sup>th</sup>, ICF Branch 439 honored St. Anthony with a mass, followed by a reception, at Our Lady Mother of the Church. The mass was celebrated by Father Augusto Feccia and was a special evening of prayer and devotion to St. Anthony. In addition, members celebrated Heritage Night after their General Meeting in June with delicious, homemade panzerotti.

At the Italian Mass on Sunday, July 13th, two \$500 Scholarships were awarded. The recipients were called by President, Tony Arredia, and the Scholarship Chairman, Florinda Partipilo, awarded the two scholarships: one went to Loredana Lappano who will be attending Elmhurst College in Elmhurst, IL, and will pursue her education in Speech Pathology; the second scholarship went to Marisa Sciafani who will attend the University of North Carolina in Chapel Hill. She will pursue her studies in Public Health.

Future scholarships will be called the LEE SLICER MEMORIAL SCHOLARSHIPS. Lee was in charge of running our past two very successful fundraisers. Sadly he passed away in July -- he will be greatly missed. Rest in peace, Lee.

Plans are underway for our third Annual Fund Raiser -- Grand Prize will be two Regular Season Chicago Bears Football Tickets. A Spaghetti Dinner is planned for the Fall.

Nina Malone at the organ, and the little choir composed of Marcie Rossi, Jim Jones and Leonard Rossi) to the beautiful orchids provided by Franklyn Lopes, Jr.; and thanks to the wonderful men in blue of the San Francisco Police Department, even parking was a breeze.

The Banquet that followed at the Basque Cultural Center was very well attended. Even though at first it was a bit confusing, everyone was soon seated and ready to enjoy a wonderful feast and great company. With 360 in attendance the dinner was reminiscent of the banquets of yesteryear where many Italians would gather for delicious food and a wonderful social. Dante Galeazzi and Leonard Rossi did a fabulous job with the program and honored so many dignitaries who were there to celebrate. It was wonderful to see so many Past Grand Presidents, and even the wives of our deceased Grand Presidents. They were presented with a gift of our commemorative ornament depicting the 90 year anniversary. Twenty-one members of the Providenza family were in attendance

as well! What a wonderful way to celebrate the legacy of Luigi Providenza.

A presentation of Resolutions for the Italian Catholic Federation from the State Senatorial Department was presented to Grand President Bob Basuino. A very special presentation was made to Reverend Gladstone Stevens, the President-Rector of St. Patrick's Seminary. Anonymous donors, only known as "friends of the Immaculate Conception Church" so very generously donated \$25,000.00 to further the education of our beloved seminarians. Kudos to Dante Galeazzi for arranging so many wonderful donations, not only the special one for St. Patrick's, but our Providenza fund will have benefitted from his hard work as well.

I'd like to thank Dante Galeazzi, Leonard Rossi, Franklyn Lopes, Jr., and Bob Basuino for everything they did to make this event the huge success it was.

### Los Angeles Gala – June 29, 2014

Mass at beautiful St. Peter's Italian Catholic Church was the beginning to the third and last, but certainly not least of our gala celebrations. Fr. Louis Piran celebrated a beautiful Italian Mass with us which was followed by a lovely buffet luncheon in

Lou Mages, Lisa Crudo, Franklyn Lopes, Pat Mages, Nina Malone, Natalie Malone, Rosalind Crudo, and Leonard Rossi at the San Francisco Gala.

Casa Italiano, the lovely hall across from the church. It certainly was a treat to see so many of our Central Council members, life members, life members emeritus and members emeritus in attendance. A group from San Diego made the trip for this special event, including Lady Jody Balestrieri and Forrest and Prudence Price. There were over 185 in attendance and everyone had a wonderful time. There was a short program and presentations from the Mayor and the Governor were presented to our Grand President Bob Basuino. The buffet was plentiful and delicious! There was more than enough food for everyone to enjoy. Music by Duo Domino pervaded the room, and allowed several members to enjoy dancing.

I'd like to thank Pat Mages and her committee Nick D'Egidio & Branch 67; The LAAD District, Carmelo Sabatello, Theresa Shaw and Andrea Linn for the wonderful job they did to make the day so memorable.

I have always been proud to be a member of the Italian Catholic Federation and the efforts of these men and women to make sure we had a successful event is a great testimony to this wonderful organization. Everyone can be proud of the role they played in raising money for our Providenza fund. May God continue to bless you and the Italian Catholic Federation.

Fondly, Lisa Crudo, chairperson, Ways and Means Committee

At our June 10 meeting we honored two intelligent young men that were the recipients of this year's scholarship awards: Eric Peters and ICF member Thomas Keitz. The proud parents of Thomas are members District Attorney Michael Keitz and his wife Mary. Eric is planning to attend Santa Clara and Thomas is going to California State University, Fresno. Congratulations gentlemen and good luck with your future. The Chicken take-out dinner was held June 22nd and was a huge success. Thanks to Elsie Bottorff who lead an incredible crew. High praise to everyone who barbequed, shopped, sold tickets, worked in the kitchen or made desserts. There are just too many to name, but you know who you are: Thank You! In June long time member Theresa Failla passed away. Please pray for her family and as always, say a prayer for our ill and injured members.

Here we are, ready for another convention. Conventions are like family reunions.

This year we have a new delegate, Evelyn Way. First time delegates learn so much of the Federation, they get a bigger picture of what the ICF is about.

We had our annual Wiener Roast at Lake Yosemite and members and guests enjoyed hot dogs, beans, corn on the cob, tomatoes and peppers and you got to make your own ice cream sundae. We had a cakewalk and a White Elephant Raffle. No one won the White Elephant!!!! Our chairman, Bob Tyler did a great job. Thanks to Evelyn Way and the Roland Noyas for the delicious beans and to Maria Giampaoli for the tomatoes and peppers. The weather was perfect and everyone had a good time. Next on our agenda is our August meeting/social.

Come and enjoy "making your own sandwich", a salad, dessert and wine.

Come early for snacks and wine and visiting. We will be bringing the 2015

calendar fund raiser back from the convention with us. Cash prize every day and you get 365 chances to win. Carol Salmeri chairs the sale and she has been the top seller in the Federation for the past few years. When you see her, buy one. We get to keep \$5.00 of every calendar we sell. Calendars are \$25.00 each.

Jenny Campopiano's daughter, Barbara, announced her engagement and plans to be married in March, 2015.

Debbie Abate's brother (and Corine and Julius' son), David, was married June 28 to Julie Sanfilippo. He requests prayers in his new role as step-father to three young children.

Rich and Mary Zanarini celebrated their 50th wedding anniversary in June. They went to Illinois in July to visit Rich's mother who turned 102.

We will be taking a vote as to which we would rather do. Also, our Branch picnic will be at the Super Summer Theatre between September 4th through the 20th. Congratulations to ICF on 90 Successful Years!

On Sunday, June 29th, the ICF 90th Anniversary Gala at Saint Peter's Catholic Church in Los Angeles was a great success. Branch 108 would like to thank Central Council Members and Co Chair Pat Mages for organizing and managing an excellent event from Mass in St Peter's Church through the buffet Luncheon to the dancing in Casa Italiana. The Duo Domino provided classic Italian music bringing many members to their feet and dance floor. Highlight of the dance was members rising to their feet to dance the Tarantella; in three sometimes four large circles.

Plans were for our Chaplain, Father Ignacio to start the day off with a beautiful mass in a beautiful country setting. We hope you all attended and enjoyed the day. Thanks to Julie and Joe for hosting the picnic once again at the beautiful J&M Ranch. Thanks also to all who helped by setting up, cooking and serving a wonderful meal.

Members of ICF Branch 36, Monterey, California

Helen Summerfield, Branch 291 Scholarship Chairperson, and President Pete Gallagher presented certificates to the First Year Scholarship recipients at the June General Meeting. Branch 291 recipients were Sarah Castellino (2nd from left) and Toby Tonascia (far right), both graduates of Arroyo Grande High School. They also presented a certificate to Gregory Conti, (second from right) a graduate of Mission College Prep, on behalf of the Paso Robles Branch.

Branch 291 recently initiated and welcomed its newest members, Jack and Kathleen Gallizio, pictured here with Pres. Pete Gallagher.

Joan belonged to ICF for nine years and was an active member of St. Joseph's parish. Our sincere sympathy to her loved ones.

Condolences also to Jolene Smith and Sharleen Hedgpeth on the sad passing of Jack Smith, who was Jolene's husband and Sharleen's brother.

Get well wishes to Sylvia Raffetto, who is home after a short hospital stay.

One of the unsung heroes of our branch is our Treasurer, Marie Mungai. Marie has served in that capacity for five years and goes above and beyond the call of duty. In addition to maintaining flawless financial records, Marie prepares the roster of members and a handy meeting schedule listing all the activities for the year. At each meeting, she is at the check-in table with a warm welcome (and ready to take our money). Because of her knowledge, Marie is the "go-to" person for many of us.

We are already midway through the year having had a very successful Pasta Dinner and the popular bake sale. With the cooperation and assistance from members, parishioners and friends the club was able to award \$400.00 scholarships to Genaro Olvida from Paso Robles High School and Gregory C. Conti from St. Patrick's High School in Arroyo Grande. We wish these two young men success in their future academic goals.

Due to the fact that we had no June meeting, we will have many loose ends to cover in our July 11<sup>th</sup> meeting. We will select delegates to the Oakland Convention, plan to participate in the always favorite Madonna Del Sasso's district meeting in Salinas on August 3<sup>rd</sup>, and hold discussions on our various upcoming projects.

We are asking for your prayers for the recovery for Santa Salvia and Alice Mastagni, who have been hospitalized during the past week. These two ladies, Charter Members, have been very important to our branch's success, and we miss them. Get well, ladies.

In the last newsletter, we indicated that our male members would be responsible for making Father's Day tray favors for the male patients at The Vineyard nursing facility. Tony Salvia came through- he made and delivered them. Thanks Tony.

Enjoy the lazy days of summer and remember,

Our branch has had a busy summer so far. For June meeting we all enjoyed a delicious chicken dinner with all the trimmings.

With the help from our cooking crew. We also enjoyed an interesting history about the Holy Family Church in San Jose. It stood on River St for 63 yrs. and was relocated to Pearl Ave. when the Freeway needed the land. Holy Family was Br.#3 for the ICF. Louise Vento shared this story to us.

We also attended our quarterly 10:30 Mass with many of our members. Father Mark gave us good recognition during Mass, and many enjoyed the coffee and doughnuts after Mass.

Our July dinner meeting was something special. George Guglielmo a dedicated trustee of our board volunteered the use of his

Beautiful vineyard setting. The ambiance and the food was awesome. We had the best New York steak, pasta con pesto, corn on the cob, salad and garlic bread. The night was complete with yummy tiramisu. Giulia Gallego decorated the tables with lovely centerpieces.

We also presented the ICF college scholarship to Caroline Rose Seifert. She is the daughter of Brain and the late Lisa Seifert.

Emily Corral from br. 191 presented it to Lisa. She also graduated from Notre Dame High School.

Please keep Jerry Caravelli in your prayers and enjoy the rest of the summer.

We did not have a regular meeting in July but got together for hamburgers and hot dogs and fun. Tony Selvaggi offered to bring his grill and did the cooking. It was a late Independence Day Picnic. We attended the Southern California ICF 90<sup>th</sup> Anniversary Celebration on the 29<sup>th</sup> of June in LA. What a great event! 11 am Mass was held at St Peter's Church. Celebrants Fr. Louis Piran and Fr. Luigi Gandolfi said a bilingual Italian/English. After Mass a delicious buffet was served next door at the Casa Italiano Hall. Many of the Central Council officers and Life Member Emeritus were in attendance. Grand President Bob Basuino, First Vice Leonard Zasoski, and Roselyne Jarrett, The Galeazzi Brothers, Franklin Lopes and Pat Mages. In all due respect, I really enjoyed seeing and visiting with Jody Balestrieri and Angelina Iorossi-Armenio, and Forrest Price, who I haven't seen in a while. They are all aging very well! The entertainment provided by the "Duo Domino" kept people on the floor dancing and singing traditional Italian Songs.

What a great job Branch 67 and the Central Council and their Committees did! Those of us from Branch 210 and 215, from the San Bernardino District, had a good time and gave it a BIG thumbs up. I just wish more of our Members could have attended. You missed a really great time. Happy Birthday to all the July and early August Celebrants.

Ciao,

Jack Grisafe

#### Sacred Heart, Br. 217

Well, Branch 217 got off to a terrific start for summer 2014. We held our final meeting amid an array of good Italian food and lovely friends. We welcomed our young recipient of our ICF scholarship fund donation, and we made several monetary donations to our local charities. Our new program, "Donare la Pasta" came into full bloom in June with more than a half dozen boxes filled to the brim with donations of packages of dried pasta and jars of spaghetti. We are helping to feed the hungry children in Redlands by collecting pasta and sauce and donating it to two charities which have programs in place to feed the hungry children of Redlands. The program has been well received by our parish.

We will meet again at the end of summer, but for now, stay cool, happy and healthy! Happy summer, everyone!

The San Diego district Council held its general meeting on Monday evening July 14, 2014, at Our Lady of the Rosary church in Little Italy. District President, Richard Barker presided at the meeting. C.C. Life Member Emeritus, Jody Balestrieri, reported on the Strategic Planning Meeting held in May. Jody also announced that Father Joe Carroll will be presented with the Mother Theresa Award at our forthcoming convention. Jody and Branch 229, St. Rose of Lima, were given applause for nominating Father Joe. C.C. Member Emeritus, Forrest Price spoke about the District Picnic and Bocce tournament to be held on Sunday, August 3, 2014, at Allied Gardens Park.

The highlight of the evening was the presentation of the scholarship certificate to Rosa Vargas who was the winner of our district's 2014 first year scholarship. Rosa made an excellent thank you presentation. Rosa is a graduate of Francis Parker School who plans on attending Yale University. She

Happy Convention! Hope it's a successful one!

The big event of the summer was a "Night in Napoli" held on Saturday, July 19<sup>th</sup> at the St. Rose of Lima Parish Hall. There was plenty of delicious food, made by President Robert Maruca and his son Mario! The DJ was very entertaining! There was a raffle and many won lovely baskets and other goodies! Everyone had a great time, whether it was dancing or just sitting around the table and chatting with old acquaintances and making new friends!

Don't forget the San Diego District Bishop's Day scheduled for October 12, 2014, 10:00 a.m. mass at St. Rose of Lima, followed by a catered lunch at the Parish Hall. Cost is \$20 per person. We hope to see you there!

Our Parish has a new Pastor, Fr. Luke Jauregui and a new Associate Pastor, Fr. Alex De Paulis. We welcome them to their new home!

Please pray for our deceased members, for those who are sick, and for those in need. When you see a man or woman in uniform, please thank them for their service to our country! God bless our military! God bless America! God bless the ICF!!

As our members know, Branch #38 was on vacation in July. We hope all our members had a relaxing, enjoyable month and a safe 4<sup>th</sup> of July.

In the June Bollettino I teased everyone by saying that at our June meeting we might have a surprise or "5." Well the surprise never

happened! The surprise was that a new family has joined our branch...but the surprise was on me. Unfortunately, our new members were not able to attend, but we all look forward to meeting them soon.

Our June meeting was very nice. Since June was the month of Fathers' Day. Our Heritage Chairlady Maria Gloria wanted our members present to tell us something about our own Fathers...when they came to this country and their courageous travels to an unknown foreign land. Maria gave each one of us a Chocolate Cigar to commemorate the occasion. Maria also pointed out that our meeting was on the actual Flag Day...

June 14, 1771. Thanks Maria for your constant good work.

We were going to invite our Branch #38, 2014 Scholarship Recipient, Savanna Puccinelli, to our August meeting, but I spoke to her Dad. He said she will be at Camp Mather until the end of August, however, she'll be happy to attend our September meeting before she leaves for college. On a sad note, I read in the obituary that her grandfather Richard Puccinelli recently died...we offer the family our condolences.

We want to thank Rose Mangini for being our Branch #38 Convention Delegate. We know you will have a good time seeing old friends and meeting new ones. We look forward to hearing all about the Convention at our September meeting.

Ciao,

Our Potluck lunch was another Hugh success. We had many delicious dishes and all were so good. Salads, Cold Cuts, Pastas, Corn Casserole, and many desserts, including Biscotti. It is always nice to see friends and visit with them. It was such a pleasure and honor to present Samantha Tudoni her

Scholarship Certificate in person. Samantha's. Grandfather, Vince Tudoni, attended our Potluck lunch with Samantha. Unfortunately, her Grandmother, Rose recently had surgery and was unable to attend the lunch. We wish Samantha good luck and all the very best in the coming years.

July 28th to August 8th: looking forward to our Alaskan Cruise. Hope we see some animals!

August 22nd: we have plans to go to Thunder Valley. We always enjoy our trips.

We wish everyone a very successful Convention. Please return your Raffle tickets as we keep \$10.00 on each book of tickets sold. Let's try to get all the books sold for our Branch.

Happy Birthday and Happy Anniversary to those who have their special day coming up.

We all enjoyed the 90th Anniversary Gala at the Basque Restaurant. Saw many Present and Past Officers. This event took a lot of work, so to those involved we say Thank you on a job well done!

Happy to see Rose Tudoni is well on the road to recovery after her surgery. We have missed you and Vince. Hurry back!

Please remember our ill and deceased members in your prayers.

Dear Friends,

A wonderful evening was enjoyed by all who attended the June 19 dinner honoring scholarship winners, Alexandra Repetto and Romeo Guerrero.

We were very impressed by these intelligent, personable and appreciative young people, and we wish them much success and happiness during their college years.

In October, we meet on Thursday, the 16th, for a pizza lunch. Guests are welcome for \$5.00.

An important part of the meeting to follow lunch, is the election of officers for 2015. Hope to see you there.

Save the date of Saturday, October 4th. It will be our final Champagne-Bingo luncheon of the year,

As always, price of the luncheon is \$25.00.

Branch 290 is saddened by the death of long

time member and past president, Fosca Bustos. We pray that she is resting safely in the arms of the Lord.

Our get well wishes and prayers for a speedy recovery go out to all members who are not feeling well or who are recuperating from surgery or a fall.

Almost forgot to remind you that our September meeting on Thursday, the 18th, will begin with a spaghetti and meat ball lunch at 12:00 noon.

Guests are welcome for \$5.00. Please call Mary Rowe and let her know if you will be attending.

Ciao,

Hope everyone has had a wonderful summer.

Of course, end of summer means Labor Day and Labor Day always means our Federation Convention. Since Br. 365 was unable to send a delegate last year, President George is looking forward to representing us in Oakland this year. First lady, Nancy, will accompany him. Of course, we old timers, Ann & Joe, are also looking forward to attending. This will be a very special convention for us because Joe's nephew, Bob Basuino, is the current Grand President of our Federation.

This is a good time to think about election of officers for next year. Florence O'Malley has been great about holding the offices of Financial Secretary & Treasurer for over six years. She has done a super job but does not want to continue in that capacity. These are offices that entail more than meeting attendance. They do require dedication, and, do not have to be held by the same person. I am asking that each of you give this matter prayerful consideration, and perhaps, be ready to accept a nomination.

Next meeting - Sept. 10<sup>th</sup> at 7 p.m. President's report on Convention. Potluck to follow.

October 11<sup>th</sup> - Saturday, 11:30. Meeting with nomination of officers, followed by a pizza & beer party.

November 12<sup>th</sup> - Regular meeting at 7 p.m. Voting (if necessary.) Raffle. Plan branch calendar for 2015.

God Bless and "let us spur one another on toward love and good deeds"

Welcome back from summer. We hope you all had a restful and relaxing vacation.

Our first dinner/business meeting back from vacation was August 6<sup>th</sup>. Our thanks to head Chef Sam Bonanno for his wonderful "Pasta Alla Bonanno". Of course thanks goes to all our helpers too!

Be sure to save this important date. Our "Western BBQ Dinner-Dance" Fundraiser will be Saturday, October 25<sup>th</sup> and we will celebrate our 89<sup>th</sup> Anniversary for Branch 7. Look for more information to follow on this events as time draws near.

The business/dinner meeting for September will be on the 10<sup>th</sup> and we will be serving "Pot Roast" by head Chef Jimmy. The October business/dinner meeting will be on the 1<sup>st</sup> and we will be serving good "Old Fashioned Meat Loaf"!

My goodness, that brings us into the holidays. The November business/dinner meeting will be on the 5<sup>th</sup> and we will be serving a Turkey dinner. And last but not least, the last meeting of the year is December 3<sup>rd</sup> and it is always great fun because there is no business on the agenda. We just all take the time to really enjoy each other's company.

So, until next time...a little thought to ponder, "While writing the story of your life, don't let anyone else hold the pen"!

Time is starting to get away from us as summer will be ending soon and we will be diving into our fall events. We had a busy summer with our Ravioli Dinner in June and special thanks to our chairman, Norm Bennett, and all of his helpers who were too numerous to mention here but all the efforts were greatly appreciated.

We also held our first I.C.F. picnic at Washington Park in Burlingame. Mary Ann Camacho was our chairperson and we all had fun having our faces painted and enjoying a nice sunny day. Steve Martinelli and Tony Tomasello were the BBQ chefs and a special thanks to them. Bocce ball was a big hit as many of us had never played before. In lieu of a regular dinner meeting on July 8, we had a committee meeting to firm up plans for our August 2nd Magic Show. We were very pleased with the turnout at the show and Illusionist/Comedian Patrick Martin's performance was outstanding. Our thanks to all who helped make this annual fundraiser a success: the members who donated money to help with the expenses for supplies and desserts; to the members who made the delicious hors d'oeuvres; to Jackie Smith for handling the beautiful raffle; to Father Rene and his staff who help promote this fundraiser; and, of course, our faithful patrons who always support our endeavors. Special thanks to Patrick! We could not have a Magic Show without him!

June is often a month we think of as the perfect time for a wedding. At the Branch 5 June 26 meeting, members of Br. 5 took a look back to remember and share their special day. Many brought gorgeous wedding photos to share. They toasted the evening with a sip of sparkling cider and afterwards feasted on BBQ ribs and cream puffs. The branch's longest married couple (present that evening) of 68 years, is Branch Deputy Elaine Osorio and her husband Bob. They were sent home with a bottle of bubbly!

Thanks to the men of ICF for providing us with a great barbeque. This was a fun way to celebrate summer. There were plenty of special guests, daughters, granddaughters, grandsons, friends and newcomers to enjoy the evening.

A very special guest this evening was our new pastor, Father George Aranha. He will be a great addition to our church community and our ICF Branch.

Mike Nunziata reported on the 90<sup>th</sup> anniversary of ICF which was celebrated in San Francisco.

Ed Wendler gave a spiritual reflection "Five Lessons We Can Learn."

What a thrill it was to host our District Meet-

ing on Sunday, June, 29th. Dante Corsetti presided over a meeting dealing with topics from serious (upcoming Oakland Convention/Day of Recollection) to silly as Louise Vicino pummeled us with a medley of her favorite jokes. We met bright and beautiful Hannah Faso and Nicole Curreri, recipients of ICF scholarships, and their proud parents. They joined us for lunch as we feasted on sandwiches, salads and a decadent double chocolate concoction served up by M.J. Dell'Aquila with vanilla ice cream served from Jr. Master Chef, Kyle Stewart's special scoop. Kyle, our youngest ICF member was accused of rigging the raffle as Cloverdalian after Cloverdalian won the draw! Sorry everyone! It was just our lucky day! We also honored Father Fergal McGuinness on the 28th Anniversary of his priesthood and presented him with a "token" of our esteem. Fun-loving, Robert Aquistapace, made the roast and toast. Sal Casciaro made sure our drinks and salads remained cool with his hand-painted, red, white, and green, Italian ice-bucket!

In our prior planning/dinner meeting we had a quick post-Father's Day dinner/potluck... we must emphasize "luck" because it was beautiful and scrumptious. Besides planning for our district meeting we voted to send delegates to the convention and pay their expenses, we received laminated copies of the Official ICF Song, Noi Vogliam Dio, heard about M.J.'s upcoming Food Fair which is a major event for providing food to people in our area, and we encouraged each other to keep inviting and encouraging friends to join the branch.

Our next event (third Thursday at 6:30) is a Pizza Party chaired by Theresa Derosier at which she will demonstrate how to make the ice-cream treats that we plan to sell at the next Cloverdale Citrus Fair. Mmmm

The St. Sebastian branch celebrated summer with its annual picnic at Larson Winery. The food was picnic fare, with cooking supervised by President Tom Wurst. We thank the Larson Family for their generosity to the Branch.

It is with great regret that we bid farewell as chefs to John Boragno, Tony Ginocchio, Len Poli. Now they will be sitting and enjoying their meals at the table. We thank them, and thank them again, for their service to the Branch and wish them well "in their retirement." The Branch is happy to announce that we will not go hungry and welcomes our new, competent, chef Diane Klauber, who has had experience cooking for many parish events. She will be starting with her first dinner at our September meeting. The menu will be a surprise, but as always, the wine will be flowing. For reservations, call Lila at (707) 996-3448.

Our July 8th meeting was called to order by President Joe Bonino. After opening prayer and flag salute Marian Griffin read the minutes of the last meeting; approved as read. Marian also reminded us that Betty Chin is still in need of travel size toiletries. She will make up bags to be handed out to the homeless as needed, so if you have any unused travel size toiletries, your donation would be much appreciated. Also peanut butter and jelly is a constant need.

This year we had voted to try a food booth in Old Town for the July 4th festival instead of selling fireworks. We sold sausage sandwiches, hot dogs, cold drinks and biscotti. The Sons of Italy items were a big hit. Overall we made a small profit, but much was learned as this was our first experience. Thank you to all who worked so hard to make this a successful fundraiser.

Dates to put on your calendar are the Mezzo Agosto picnic on August 17th and the Italian Festival on September 28th. Please plan to attend these events and have a great time visiting, eating and playing bocce.

Please pay for all members and their families, especially those who are ill and those

who are alone and lonely.

Both gentlemen have been attending and serving ICF meetings since they were small children and we wish them well as they start their college education and careers.

Many members attended the ICF 90th Anni-

September 19, 20 and 21st are the dates for St. Bernard's Church Festival, an annual event that raises money for the parish and the building site fund. ICF Branch 390 will have their own booth manned by members all three days, serving pizza and lemon slushes. All proceeds go to the parish.

As President and representative of the San Bernardino District, I want to welcome you to the 2013 Italian Catholic Federation's 83rd Convention at the beautiful La Quinta Resort and Spa. We hope you can participate in the weekend activities that we have planned.

We kick off with the Thursday Night Dinner at 7pm, preceded by a no-host bar and Italian music at 6pm. After dinner, there will be dancing and more great music that you are sure to enjoy. We will hold a raffle with many wonderful baskets and other items.

Our Novelty Booth will have many new items. We hope you will stop by and buy a souvenir to help you remember your wonderful weekend with us.

Two tours are scheduled for 9am on Friday morning, if we get the minimum amount of participants to cover the cost of the bus.

The first tour is at the nearby Indian Casino, Fantasy Springs. They will reimburse you

the \$25.00 cost of the bus ride and give you a \$3.00 coupon toward lunch.

The other tour is of Palm Springs sponsored tour of celebrity homes in the area.

In addition to the tours on Friday, the Central Council will be hosting its annual events: golf, pedro, the Bocce tournament and the blood drive, which will also be available to occupy your time.

## Grand President's Monthly Message: Jane Dianda's Farewell

Dear Brothers and Sisters,

Welcome to the 83rd Annual National Convention of the Italian Catholic Federation.

As we gather together in Palm Desert, it is my hope that you will experience a sense of excitement, which comes from the opportunity of renewing acquaintances; fulfillment which comes from knowledge received through the Convention workshops; and hopefully satisfaction when voting on the proposed by-law change and election for members to the Central Council. It is also my hope that you are filled with a sense of pride, as I am, which comes from being a member of the this amazing Organization.

To those branches that are unable to attend the Convention, I urge you and your members to make it a goal for the upcoming year to resolve any issues that have prohibited your attendance this year. Sometimes all it takes is a little bit more education and motivation, which can easily be attained by attending the Conventions.

To all members of the Federation, as my term of serving you as Grand President

nears its end, I wish to extend my deepest appreciation and gratitude for your cooperation and encouragement these past two years. It has indeed been an

honor and a privilege for me to serve you. I was greeted with warmth and filled with pride while representing you everywhere I have traveled. I am, and continue to be, very grateful to each of you.

It is often said, "A leader is nothing without his/her followers." My sincere thanks to the members of the Central Council for electing me to this office and for

the tremendous amount of support and knowledge you have extended towards me. I could not have done it without you.

To Msgr. Cardelli, our Bishops, Chaplains, and all Clergy, your kindness and words of wisdom somehow always seem to have come at just the right time. I am forever thankful to each of you.

Once again, to all Convention delegates, family and friends, enjoy yourselves and each other, and have a fantastic time!

Fraternally,

*Jane Dianda*

*Grand President*
