

October 1, 2015

To All District Presidents and District Deputies:

Your I.C.F. Workshop Committee is ready to take “the show on the road” once again this year. We will present any 60 to 90 minute seminar on many of the I.C.F. Programs. District Presidents, please discuss and select at least two or three topics for a presentation by the Workshop Committee to introduce topics such as Spiritual Activities, Membership Growth, Leadership, Officers’ Training, Convention Awards Program, Heritage/History of the I.C.F., Financial Reporting for the Central Council or IRS, Fundraisers for Charitable Programs, Officers’/Deputies’ Duties and, again, any other topic(s) for the District, your Branches and Deputy Leadership Training.

The Workshop Committee wants to schedule your District’s Workshop event ASAP. Right after the Election of Officers is the best time. We are open for the topics of your District’s/Branches’ choice. Once the District/Branches select at least two or three topics that “best suit” your needs, please contact Andy Pappani via e-mail at [pappani1@yahoo.com](mailto:pappani1@yahoo.com) or cell phone at (831) 801-0557. We recommend an [Officers’ Training Workshop] and a [Deputy Leadership Training].

At our Annual National Convention many members request for these Workshops to be held for the memberships of the local Districts at the District meetings for a larger participation. Again, District Presidents discuss with your Branch Presidents and Officers of both the District and Branches at your District Meeting for your desired program selection. The Workshop Committee hopes that your District selects a date promptly for your first choice, but because there is such a demand for these I.C.F. Workshops we recommend a second date for approval.

I am privileged to have on your Workshop Committee a very accomplished and experienced team who has a deep willingness to provide assistance to your membership. They are Past Grand President and Central Council Life Member Emeritus Robert Acquistapace, Past Grand President, Central Council Parliamentarian and Life Member David Botta, Central Council Grand Second Vice President Vince Piro and Member-At-Large Robert Pachinger.

Andy Pappani  
Chairperson of the Workshop Committee  
Central Council Grand First Vice President
