Dear Branch President:

Thank you for your continuing support of our I.C.F. Scholarship Program. The following information is for you to share with your Branch members.

Our Scholarship Program has been in existence since 1964. Since that time, the I.C.F. has awarded over 7,000 scholarships totaling more than \$2,000,000.00 to many deserving students, giving them the opportunity to further their education. Our Federation can be very proud of our efforts to assist our scholarship winners. For many of them, college attendance was made easier because we cared and it is gratifying to know that we, as an organization, helped them accomplish their goals.

In our Branches and in our Parish communities, there may be former scholarship winners (or family members) who could be contacted regarding supporting our Scholarship Program. It would be a real plus to know that a past recipient, who is now well established in their career, would be willing to help another deserving student. While the task may be challenging, it's worth a try.

Donations may be sent to the I.C.F. Office, at the address listed below. If you need additional information or questions answered, please call or e-mail the I.C.F. office or visit our Web site.

God bless, and may your efforts be successful.

Most sincerely,

Deborah Rodondi
