Dear District President:

Thank you for continuing to serve your District with your leadership and commitment to the ideals of the Italian Catholic Federation.

This year, the Central Council is working to strengthen the Federation's Deputy Program and to retain more members in our Branches. These were recommendations of the Central Council's Task Force Committee after an evaluation of the Federation's Strategic Plan.

To aid in that effort, we are asking that you contact one of us within the next few days to schedule a workshop on the Deputy Program and Retention at one of your next District meetings. The workshop is about an hour long, and it would make a perfect complement to a District meeting.

We look forward to hearing from you soon.
