## Grand President's Monthly Message

by Andrew Pappani

(As per Bollettino tradition, the February issue publishes the Grand President's Installation Speech.)

I would like to thank the past officers for their commitment to our Federation this past year [ A JOB WELL DONE. ] The newly elected officers, I congratulate you for stepping up to be leaders in your branches and district this coming year. It is greatly appreciated.

It is my honor to be with you this year, as the Grand President of the Federation. It is a New Year filled with many exciting opportunities and expectations. It is this anticipation that inspires me when installations take place. These ceremonies bring new optimism and life into the Federation. At installation time we remember what it is like to have the sense of family and belonging with our heritage and church. With the unity that brings us together we will work hard in 2018 to make our parishes, communities and the world a better place for everyone.

We all have New Year's resolutions set for the New Year. Mine is to help our branches to grow. One branch at a time, hand-in-hand, we will be there to help you.

When I was installed Grand President this last Convention, in my speech I had challenged all branches to a 10% membership growth; that's not an impossible task. Just think if everybody brought in just one member what our membership would be? And this is in line with the Federation's Strategic Plan which states that "We will grow and maintain our membership base." The Federation needs everyone to focus on our future, growth and

retention. We have the tools and resources, we want to be active in your Branches and Districts. Please, just ask for assistance from your Central Council members, the Membership Committee, Task Force Committee, Workshop Committee, Mentor Program, Expansion Committee and even the Grand President. You have elected us to work for you, and we are here to help all branches in their goals they want to reach.

Remember what I had said, we need to get back to the basics, back to a family atmosphere. A smile goes a long way to get new members. Use the buddy system, Treat every member like a first time member. Treat others how you would like to be treated. Give back to our Parishes.

\_\_Martin Luther King Jr.

Once again I want to thank each and every one of you for your love and commitment to the Italian Catholic Federation. I am truly grateful for everything that you do, for your friendship and support. I wish each of you good health and much happiness in the coming year.

Now, let's go forth and carry the ideas and aims of forefathers of the Italian Catholic Federation

God Bless you and God Bless the Italian Catholic Federation and the United States of America.

## Thank You ICF!

Your generous donations to the Gifts of Love Program have helped this family purchase a mechanical seat for their special needs daughter. The following is their note of thanks and photos of their daughter using the seat.

Dear ICF Members,

Thank you so much for your gift of \$3,000 that went towards the purchase of a van conversion for my daughter, Kylee Steitz. The Bruno seat we got mechanical moves her into the car. It is amazing and is saving our backs. The work you do is so important and appreciated!

# Let's Make 2018 a Happy New Year all Year!

Monsignor Daniel Cardelli  
ICF Spiritual Director  
ICFspiritDir@aol.com

As I write this article on January 6, 2018,  
the weather report is:

- An Arctic air mass enveloping parts of the Northeast US on Friday sent temperatures below zero in some areas.

- The frigid weather is the byproduct of a bomb cyclone and polar vortex that slammed the East Coast for much of the week.

- The storm left some vehicles encased in ice on roads in Boston, blanketed New York landmarks in snow, and prompted airport closures and flight delays for a time.

This is really a chilling report (pun intended.) Seriously, this cold, cold

weather can do severe harm to cities, places and people. We hope and pray that this condition doesn't last very long.

Conditions often occur which are out of our control. It may be fires, floods, earthquakes and now extreme cold. God help us! Yes, we turn to God for relief and protection during times of trouble. Be it worldwide problems, personal problems, sickness or death, what do we do? We ask God to help us. What do we find? God's warm heart, His love and guidance and, above all, HOPE. Hope means we can trust that God will give us everything we need, especially to get through our toughest times. He loves us

unconditionally. No matter who we are or what we have done, His love is always present and always perfect.

When someone loves us that much, we cannot help but love Him back. When we love someone, we try to please that person

as much as we can. When we love God, we try to do what is right - what He tells us to do. We praise and worship Him at Mass and live our best lives with His guidance. In turn, He gives us the gift of Himself in Holy Communion.

Thank you, God, for your warm heart and perfect love. Give us the grace to love You, too.

## Promoting the ICF in the Community

Teresa Helfand  
Grand Sentinel

Dear Brothers and Sisters,

I hope everyone had a Happy New Year!

For 2018, we would like each member to reflect on the ICF's goal of promoting community within the Catholic Church. Each Member should plan to invite a non-member to one of the ICF's events - be it a monthly meeting or a special event - so that we can add to the membership of the

ICF and further our goals.

We would like to make a special effort to involve young people in the ICF so that they can get involved in a family activity and be the next generation that will carry the ICF forward in the 21st Century.

I would like to give a few tips for the Branches to increase their membership:

- \* Have a mother and daughter tea party sponsored by the ICF

- \* Organize a trip to a ballgame or sporting event that the whole family can attend

- \* Have a children's cooking class where the children end up cooking for their parents

- \* Look into weekend family retreats that are available in your areas, visiting churches, nature retreats, etc.

There are lots of other things that can be done, but everyone should think about what would work well in your area. Also remember to let us know if you see an opportunity to open a new Branch.

We have faith and trust in our Members to promote the ICF and expand our reach throughout the Church!

## Want to Give More Scholarships? Here's How

Robert Acquistapace  
Past Grand President

Each year, when I judge scholarships, I see Italian students with good grades and a need for financial help who do not get an ICF Scholarship because we don't have enough to give. Here is how one branch has been able to give more.

St. Eugene's Branch 198, in Santa Rosa, gave 8 scholarships to high school graduates last year and we expect to do the same

this year. In order to do this we have approached it in three ways. The FIRST WAY is to award one or more scholarships from the branch treasury. This is the key to letting your members know that the branch supports the program. The SECOND WAY was used by the Sikes Family (of the Barbieri-Sikes Family of the Year award recipients) upon the death of the father (Norman) and later the mother (RoseAnne). The family requested that donations be made to the Branch 198

scholarship fund in their memory. Checks were sent to Kathy Acquistapace who gave the family a list of donors and the money to our treasurer. Each year \$400 from this account is sent to the CC for the Norman and RoseAnne Memorial Scholarship. There is still about \$4,000 in this account. The THIRD WAY to get more scholarships is to let your members know they can give the branch \$400 and designate someone to be memorialized. I gave \$400 to honor my father and mother (Rico and Irene). Mary gave in memory of Aldo, Charlene in memory of Joe, Irene and Jerre, Bill in memory of Louis, Margaret and Christine. The Barbieri family gave in memory of past president and secretary (Romie and Helen). Another Barbieri family donates in memory of their father and mother (Peter, a past president and Julie).

The recipients of these scholarships are invited to our May dinner meeting and sit with the donors. In addition to the Central Council Scholarship, our branch gives an additional check of \$100 per recipient at the May dinner.

I hope this article will inspire an individual, a family or the entire branch to award more scholarships in 2018.

### 2018 1<sup>st</sup> Year Scholarship Program

Materials on the 1<sup>st</sup> Year Scholarship Program were sent to high schools after Thanksgiving and have now been sent to the Districts and Branches in the January mailing.

The Deadline for Donations and Applications is March 15, 2018. Please discuss participating in the program at your meetings by making a donation of a full scholarship of \$400.00, if possible, or a partial donation of any amount. Partial Donations do help to make other scholarships possible when that money is grouped together. Individual Donations are welcomed as well. Please encourage your children, grandchildren or anyone you know who is eligible to apply.

These are the eligibility requirements for students:

A High School Senior, a total cumulative GPA (3 ½ years) of at least 3.2 and meets all of the requirements in either #1 or #2: 1) Are Roman Catholic and of Italian Descent and live within the Roman Catholic Dioceses of Arizona, California, Illinois and Nevada, only where Branches of the Federation are established. or 2) Are Roman Catholic but need not be of Italian Descent or live where Branches of the Federation are established if either Roman Catholic parent, guardian or grandparent is a member of the "Italian Catholic Federation" - membership of a Roman Catholic parent, guardian or grandparent is mandatory for #2. Please visit or call your local high schools where you would like to see applicants come from and make sure that they are promoting our scholarship program and have applications available.

If you have any questions or applications are needed, please call the I.C.F. office toll-free at 1-888-423-1924.

# Who Are We?

Denise Antonowicz  
Heritage Chairperson

Please remember to send the name and contact information for your Heritage Chair to me at [d56@comcast.net](mailto:d56@comcast.net), no later than March 1, 2018.

## How did it all start?

Valentine's Day, also called Saint Valentine's Day or the Feast of Saint Valentine, is an annual holiday celebrated on February 14. It originated as a Western Christian liturgical feast day honoring one or more early saints named Valentinus, and is recognized as a significant cultural and commercial celebration in many regions around the world, although it is not a public holiday in any country.

Several martyrdom stories associated with the various Valentines that were connected to February 14 were added to later martyrologies, including a popular account of Saint Valentine of Rome which indicated he was imprisoned for performing weddings for soldiers who were forbidden to marry and for ministering to Christians, who were persecuted under the Roman

Empire. According to legend, during his imprisonment, Saint Valentine healed the daughter of his jailer, Asterius, and before his execution, he wrote her a letter signed "Your Valentine" as a farewell.

The day first became associated with romantic love within the circle of Geoffrey Chaucer in the 14th century, when the tradition of courtly love flourished. In 18th-century England, it evolved into an occasion in which lovers expressed their love for each other by presenting flowers, offering confectionery, and sending greeting cards (known as "valentines"). In Europe, Saint Valentine's Keys are given to lovers "as a romantic symbol and an invitation to unlock the giver's heart", as well as to children, in order to ward off epilepsy (called Saint Valentine's Malady). Valentine's Day symbols that are used today include the heart-shaped outline, doves, and the figure of the winged Cupid. Since the 19th century, handwritten valentines have given way to mass-produced greeting cards.

Saint Valentine's Day is an official feast day in the Anglican Communion, as well as in the Lutheran Church.<sup>[9]</sup> Many parts of the Eastern Orthodox Church also celebrate Saint Valentine's Day, albeit on July 6 and July 30, the former date in honor of the Roman presbyter Saint Valentine, and the latter date in honor of Valentine, the Bishop of Interamna (modern Terni).

I thank all members for their generosity for the two funds. Please continue to pray for the people who have been affected by these natural disasters.

# Apostolate – Charity Committee

Lauren Kilcullen  
Apostolate Committee Chairperson

This month, we have a special guest columnist – His Excellency, Robert Vasa, Bishop of Santa Rosa. Bishop Vasa graciously agreed to write a column about one of the ICF's most important funds – the Providenza Seminary Scholarship Fund.

## Gratitude for the Providenza Fund

Each year I am blessed to receive, for the benefit of the Diocese of Santa Rosa, a distribution from the Providenza Fund. This money is given to Dioceses for the purpose of helping offset the ever-challenging cost of seminarian formation. It is a blessing to have younger men again joining the seminary, but this means that they must often complete two or three years of college work before being admitted to four or five more years of theological studies. Since student loans are not always a possibility and since the young men are often engaged, during the summer, in some other forms of volunteer ministry or some additional work on formation, they do not have the resources to provide for their own educational expenses. Thus, it falls to the Diocese, to 'provide' for these expenses. College and Theological formation are both expensive. The costs do not rise to the level of "Ivy League" Schools but it is not at all unusual for a Diocese to expend up to \$25,000 or \$35,000 per seminarian per year. Even with a relatively small number of seminarians this creates an enormous funding challenge.

The annual gift from the Providenza Fund, which I have designated to be placed in a Seminarian Endowment, helps supplement the expenses which the Diocese incurs. While most of the support dollars come from Diocesan collections and Appeals the money from the Providenza Fund is most

encouraging for it is a sign that the members of the laity, in particular the laity of the Italian Catholic Federation, recognize that the duty to support seminarians, their future priests, must be seen as a responsibility of the laity. I get lots of letters begging for priests, begging for better formed priests, begging for priests fluent in both English and Spanish, begging for priests who preach well, begging for younger priests, begging for priests who are known in other parishes. Those letters never include a check to help form priests. True, the laity have, in my view, a right to priests to serve them well and I have a duty to provide such priests to them. However, I can only send the priests that I have, and I can only have the priests after they have been formed and the formation and education are expensive.

The members of the Italian Catholic Federation show by their annual gift that they want to share in the great enterprise of forming the future priests of the Diocese. They show that they understand that priests do not drop down from the sky fully formed and already ordained. This recognition is a source of tremendous encouragement to me as a Bishop. It is also, in many ways, a source of encouragement to my seminarians who see that the Federation is supportive of them and praying for them. Thus, your annual gifts do more than supply for some portion of the material needs of educating seminarians. Your gifts are signs of your hopefulness for future priests, your love for the priesthood and your love for the Church.

I write to encourage you and especially to thank you for your generosity each year to the Providenza Fund which helps my Diocese, and others as well, meet the ever-increasing challenge of funding the education of our future priests.

## BOOK REVIEW

**Vince Piro**

Grand 1st Vice President  
Branch 39, Merced

### It Happened in Italy: Untold Stories of How the People of Italy Defied the Horrors of the Holocaust

By Elizabeth Bettina

Thomas Nelson Publishing, 2009.  
384 pp.

**I**t Happened in Italy is a first person account of the author's discovery of "how thousands of Jews were spared almost certain death at the hands of the Nazis, simply because they were in Italy." This book tells the story of Jews that lived in Italian concentration camps during WW II. The Italian camps were in stark contrast to their German counterparts and serve as a reminder that amidst evil, human kindness and decency can exist.

No story better captures the severe differences between the Nazi camps and Italian camps than one of the first ones in the book. Edith Moskovich Birns describes the differences between her experiences in Auschwitz and her husband Fred's experiences in Campagna and Ferramonti, the sites of two Italian concentration

camps. She describes her experiences in Auschwitz as horrifying and brutal: "... we barely had enough to eat. If I found the core of an apple in the field, I picked it up and sucked it. That little juice helped me survive one more day, but if a soldier found me picking up the apple, he would have shot me immediately." She recounts her husband's experiences in an Italian concentration camp much differently: "... the Italian camps were a picnic ... You know what they did? They played cards. Can you imagine that? When I tell other survivors that my husband played cards in his concentration camp in Italy, they don't believe me.»

Other stories emerge as Bettina continues her exploration of Italian concentration camps during WW II. She learns about Giovanni Palatucci, the Italian Schindler. Palatucci, who was a police officer under the reign of Benito Mussolini, defied orders and saved thousands of Jewish lives. First, he refused to turn over documents and lists to Nazi authorities that would have led them to Jews that had relocated to Italy when they fled persecution in Germany. Then, he falsified documents to allow many Jews to escape Europe as the war raged. If for some reason they could not escape the country, Palatucci arranged for the remaining Jews to be sent to Campagna, where they were held in a concentration camp that was a former convent and where they were treated decently. For his insubordination, the Nazis sent Palatucci to Dachau where he was put to death.

Bettina also shares the story of Walter

Wolff who survived the Daschau camp and moved to Italy where he was sent to an Italian camp in Campagna. Walter notes the differences between treatment he received by the Nazis and Italians: "... the Italian camps were nothing like the German camps. In comparison, it was like going to a hotel. There was no forced labor in the Italian camps. We could do whatever we wanted during the day, as long as we obeyed the simple rules of being present for roll call in the morning when the doors to the camp were opened, and in the evening when the doors to the camp were closed." The reader follows Wolff as he returns to Italy many years later to share his story.

What is amazing about this history is how so few people -- even in Italy -- know it. Bettina discovers over and over again that historians, government officials, and others know nothing about the Italian concentration camps and how many small Italian towns helped the Jewish people survive the war. In fact, Italians are often surprised themselves to learn that the citizens of their towns hid or protected Jews during the war. On a visit to Potenza, the mayor of the town notes that "... we did not know that Ebrei [Jews] had been in Potenza during World War II ... Infatti [in fact] we have a book that was written on the history of Potenza -- over two thousand pages -- and there is not one word in it about Ebrei being here in World War II ... Forty historians worked on this, but none of them discovered this part of our history."

While many of the chapters in It Happened in Italy focus on the experiences of the survivors of WW II and the prisoners of the Italian concentration camps, other chapters focus more on Bettina's own experiences and observations as she uncovers this untold story of Italy during WWII. An early chapter in the book "The Photo -- The Rabbi" is an example of this more personal style. In this chapter, she recounts how upon studying a picture of her grandparents' wedding, she discovers a Rabbi standing with the wedding party. She writes, "A picture changed my life. A faded gray photo showed something that didn't make sense. What was an Orthodox rabbi doing standing on the steps of the church where my Catholic grandparents were married? ... Questions raced through my mind. Since when did this village have a rabbi? Just about everyone in Italy in the 1940s was Catholic. So how did the rabbi get there, especially during World War II?" These first person insights into the author's experiences lend the book a more personal flavor than a strictly historical or academic text. The reader follows Bettina on her journey of discovery and learn about the Italian concentration camps through her eyes.

It Happened in Italy is a reminder that in the midst of war and chaos, there often are brave people who will resist evil, often putting themselves at risk. It is a call to all of us to stand against the injustices and Inhumanity we see in our own communities and throughout the world.

## Family Recipes

By Deborah Rodondi

Grand 2nd Vice President

**H**ere is a recipe my Great Aunt Gina (Virginia) Milani Bonalanza discovered on one of her retreats to Saint Claire's, hence the name. Aunt Gina loved to cook and was never afraid to come up with better ways of enhancing recipes. This is one of our family favorites (I think I always say that).

### Saint Claire's Retreat Cookies

Cream well:

- 1 cup brown sugar
- 1 cup white sugar
- 1 cup shortening
- 2 eggs

Add to the above:

- 2 cups flour (I add another ½ cup)
- 3 tsp. baking powder
- 1 tsp. baking soda
- ½ tsp. salt
- 1 tsp. vanilla

Mix well and add:

- 1 cup walnuts, chopped-I have also used pecans or eliminated for nut allergy individuals
- 1 cup raisins (try with dried apricots cut into pieces)

- 1 cup oatmeal
- 1 ½ cups rice krispies

Mix well. Will be very dry and crumbly, will make crispy cookies.

Drop by teaspoon (I usually need to use my fingers to keep the mixture together) onto on ungreased cookie sheet (I cover with parchment). Bake at 350 degrees for 10 to 15 minutes.

Will keep for several months in an airtight container (like one of those giant pickle jars you kept for some unknown reason...here is your chance to dust it off and use it!)

Hoping you might like to share some of your specialties or the family recipes that have been handed down with the members of the ICF. Send them to me at [drodondi@comcast.net](mailto:drodondi@comcast.net) or mail to the ICF office include a story if any. If you have questions send them also, I may not be able to answer them but we can put them out there for our readers and maybe find what you are looking for.

Buon Appetito!

Live to Give

November was the “National Sabbath” month

During the month of November, we focused on the message of organ and tissue donation in our religious communities. Our program this past November was, “Celebrating Faith, Hope and Life”. Across the country, leaders of all faiths promote organ and tissue donation among their members in many ways. Organ and tissue donation is recognized by all major faiths as a noble and meritorious act. Many, such as in the Jewish faith, feel that it is selfish NOT to donate, since it is a profound way to help your fellow man. For we Catholics, posters are displayed around the Church, announcements are made at Mass, and tables appear for parishioners to talk to volunteers, including donor family members and recipients.

Articles are published in the weekly bulletins, with messages such as this.

Organ and tissue donation offers the hope to heal lives and is a generous act supported by Pope Francis and the Catholic church. Your decision to register as a donor gives hope to the thousands who are waiting for a second chance at life. Among them are parents hoping to see their children grow up and kids looking forward to pursuing their dreams, but their future looks uncertain.

Especially during the Holidays, we reflect on and have gratitude for all the blessings we have received throughout the year. While many of us look forward to celebrating with our loved ones, thousands of people in our community who are on the transplant wait list are wondering if this might be their last holiday. Organ and tissue donors can give the most precious gift, the Gift of Life. Donors save and heal the lives of many people in our community every day and are celebrated for their generosity by transplant recipients. Sadly, 22 people die every day in the U.S. for a transplant that hasn’t come in time. We, as people of faith, are called to contribute to causes that are greater than us. Helping those in need is one of those causes. We can all be a miracle to someone in

need. Be that miracle. Register as a donor at DonorNetworkWest.org or at the DMV and share your decision with your loved ones.

So, how much do you know about organ donation?

Answers to November’s Bollettino quiz (share them with a friend or family member!):

If I am a registered donor, doctors will not try as hard to save my life.

FALSE. For a doctor or an EMT caring for someone in a medical crisis, their first priority is to save your life. They are not involved in organ/tissue donation or transplantation.

I am too old or too sick to donate.

FALSE. Don’t rule yourself out. Medical professionals determine, at the time of death, what can be used.

My religion does not support donation.

FALSE. Pope Francis has described the act of organ donation as “a testimony of love for our neighbor”.

An open casket funeral is not possible after donation.

FALSE. The recovery of organs and tissues does not impact the ability to have an open casket funeral.

Organs can be purchased or sold in the United States.

FALSE. It is illegal to buy or sell an organ in the United States.

To be an organ and tissue donor costs my family money.

FALSE. There is no additional cost to your family for donation. You (or your insurance company) are responsible for hospital expenses prior to death.

Closing thought...

Make this a resolution for 2018:

“I will talk to my friends and family about the life saving cause of organ donation, and get at least one person to register.”

**The Believe Trial An Efficacy and Safety Study of Luspatercept (ACE-536) Versus Placebo in Adults Who Require Regular Red Blood Cell Transfusions Due to Beta (β) Thalassemia (BELIEVE)**

By Susan Carson, RN, MSN, CPNP – Thalassemia Nurse Practitioner Children’s Hospital Los Angeles

The Believe trial was opened by Celgene in August 2016 in 73 sites around the world. Children’s Hospital Los Angeles is one of the sites under the direction of Dr. Thomas Coates as the Principal Investigator and was the first to open and start treating patients.

The hallmark of thalassemia is the body’s inability to make red blood cells effectively. Red blood cells are produced in our bone marrow from stem cells. They go through many, many phases as they develop and “grow up” into the mature cells that circulate through our body- carrying vital oxygen and other nutrients. Patients with thalassemia try to make LOTS of red blood cells- but they never develop fully and die in the marrow. Side effects in non-transfused and under-transfused thalassemia patients are a by-product of ineffective blood making (erythropoiesis). They include bone disease, thalassemic facies, spinal tumors, enlarged liver and spleens and growth failure.

Transfusions serve not just to increase hemoglobin and make patients feel better, they also suppress the bone marrow- red cell production will slow down as the body detects that hemoglobin levels are high enough. This is a goal of transfusions. Due to the side effects of transfusion--including iron overload-- researchers through the years have looked for other ways to increase hemoglobin levels in thalassemia patients. Other drugs such as hydroxyurea have been tried. Hydroxyurea raised hemoglobin in some patients, but did nothing to correct their overactive blood making drives--and so the patients still had the same problems as before.

Luspatercept is designed to help the late stage development of the red blood cells which will hopefully raise hemoglobin by reducing the ineffective erythropoiesis.

It’s a complicated mechanism, but when it works, it helps the body make red blood cells that grow up completely- rather than stalling in the marrow. As mature cells make their way into the blood stream- then the marrow senses it can slow down.... Which is what we want it to do. Preliminary studies were done in Europe which had very promising results. Some patients who responded were able to come off of transfusions and some were able to decrease their amount of blood – or increase the interval between the transfusions.

The BELIEVE study is a Phase III study- it’s primary goal is to look whether Luspatercept works or not. The protocol is looking at this by comparing the study drug to a placebo. One of every three patients is randomized to receive the placebo. Neither the investigators, nor the patient know what they are getting. The medication syringes look exactly the same- but some patients are getting Luspatercept and some are getting saline water. Only the pharmacist who mixes it up knows- and the main study managers. “Blinding” the study helps all of us be objective.

Patients will be treated for 48 weeks to see if their transfusion requirements are reduced. They will also be looking at iron levels, bone density, quality of life and other measurements. Once they have all the data in, they will analyze to see if the medication worked. If it did, they will use this to apply to the FDA for approval. This will take many years.

This study has proven to be very popular and enrolled very quickly. It was only available to adults due to FDA rules. Though some sites may still be open, we closed enrollment earlier this year. We are very excited to be part of this study and look forward to seeing the results.

The IRS limit for the tax year ending 2017 is the following:

Branches or Districts with Gross Receipts of more than \$50,000.00 will be required to file IRS Form 990 EZ or 990.

**\*\*\*THIS IS IMPORTANT INFORMATION AND MUST BE STRICTLY FOLLOWED\*\*\***

Both Forms must be filed no later than May 15, 2018. The IRS and State strictly adhere to this date, so please take this process seriously.

Any District or Branch who does not file for 3 consecutive years will lose its tax exempt status with the IRS and the State. If you lose your tax exempt status you will have to file paperwork and pay a fine in order to regain your tax exempt status.

Included in the Financial Secretaries’ packet are materials that the District and Branch Financial Secretaries will need to help them with this process. District and Branch Presidents - please work with your Financial Secretary to go over the information when it is received and see that the appropriate forms are filed by the due date.

\*\*\*\*\*

Please make sure all District or Branch finances are in order and that Bank Statements are reconciled through December 31, 2017. Remember that the Gross Receipts are total amounts received without subtracting any costs or expenses. These amounts include, but are not limited to, Membership and Hospitalization Dues, Dinners, Fundraisers, Raffle Tickets, Income from Convention Raffle Tickets and Calendar Sales, Interest from all Bank Accounts, Monetary Donations, etc.

On December 10<sup>th</sup> approximately 50 members and guests attended the Christmas party at the Madera Municipal Golf Course. Everyone was treated to a wonderful meal of tri-tip, and chicken, several varieties of salad, rolls and Elsie's yummy eggnog (with that extra something!). Thanks to the December committee, chairmen: Louise Chiarelli, committee: Ray Chiarelli, Mike Chiarelli, Carol Chiarelli, Jack, Jennifer and Juliana Chiarelli, Elsie Bottorff, Monty and Leona Pistoresi, and Ila Schoettler. Monty Pistoresi was dynamic in his role as MC. Thanks Monty the Christmas party wouldn't be the same without you. Bob Rolan and his beautiful voice led the Christmas carols accompanied by Rick DeCarlo on his accordion. We were able to donate approximately \$1200.00, to St. Joachim Church, St. Joachim School, Holy Family Table and other ministries in the Parish. The semi-annual bake sale was held on November 19<sup>th</sup> and sold out after only several masses. Parishioners were treated to delicious homemade desserts and the club made over \$500.00 dollars. Hope to see everyone at the February meeting on the 13<sup>th</sup>. Upcoming events in February are the orange sales and officer installation. Please continue to pray for our ill and injured members, especially Art Berryman who has been in the hospital.

Our January meeting was a wonderful Celebration of Appreciation. We recognized about 45 of our members who donated money or supplies, and/or volunteered their time, service and talent in 2017 towards achieving the goals of our branch. From our officers to those who clear up after our dinner meetings, each one was honored and given a certificate from our president. Molto grazie a tutti i nostri volontari! Thanks also goes to our chef that night: Dominic Giampietro, for the delicious sausage with peppers and onions over pasta. Our 2018 officers were installed. Felice Festa di San Valentino! Members: join us at 5 PM for socializing at the Italo Lodge for our February 14 meeting. We will celebrate the holiday with our third annual «We Love Our Members» honoring those who have been with our branch for many years. As our meeting is on Ash Wednesday, Deacon Chuck Reyburn will distribute ashes at 5:30 before the meeting. Dinner of meatless soups, salad, French bread, wine and dessert will follow. Meeting at 7 PM. We will present our 2018 budget. Stay healthy everyone.

Those who attended our Epiphany Celebration had a wonderful time. Shirley Mitchell won the Baby Jesus hidden in the cupcake. The gift exchange/stealing was full of excitement and fun as usual. Each year we look forward to it.

We're looking forward to District Installation of Officers in Sanger on February 25.

Congratulations to Mary Moss who became a great-aunt. Her niece and husband, Ashley and Daniel Picanco, became first-time parents to a beautiful baby boy. Tiago Miguel Picanco was born on 8/24/17, weighed 7 lbs. 15 oz. and was 20 in long.

Jennie Campopiano and her family took a trip to San Francisco on 9/23/17 and walked across the Golden Gate Bridge. They had beautiful weather and gorgeous views of the City. They spent the rest of the day on Pier 39. Jennie says Best Tours is a great mode of transportation.

A belated Happy Birthday to our December babies. They are: Isabel Ronzano (12/14); Cindy Silva (12/21; and Glory Spatafore (12/6). Happy Birthday to our January birthday celebrants: Verona DeLuca (1/6); Andy Friend (1/10); Tony Rainaldi (1/2); Mark Schultz (1/17); and Ron Travis (1/11). Many Happy Returns to Sherrie Attolico (2/16) and Frank Pimentel (2/25) who were born in February. Many apologies from your writer for being so late in honoring our celebrants.

To those who have managed to avoid the viruses going around this season, stay healthy and pray for those not so fortunate.

## St. Anthony, Br. 308

A Christmas to Remember from ICF Branch 308 Saint Anthony of Padua.

A simple poem:

Twelve Days before Christmas and all through 308, you could hear the scuttering and planning for the annual Christmas Branch Dinner.

Members were thinking, I need a gift for a child, and what shall I get. A game? A doll? A truck? A toy? And for a girl or a boy?

Much to do, so little time,

Each made a choice – All would glimmer.

First to the store, then to the wrapping, then to remember and bring it for giving.

Off to the dinner,

There were friends to greet, and stories to tell.

And a fine meal was served to 43, as well.

The food was a delight, and enjoyed through the night.

Fathers Ferdinand and Reginald were our most special guests, happy to be there, as were all of the rest.

The children would also be happy, as well – 70 gifts for delivery to them, at Valley Children's Hospital.

The members were happy to share these gifts, too, and be with family and friends, for another good yule.

It was a Christmas to remember in this year of 2017.

And for you and your family, we wish a Joyous Christmas remembrance, and a Happy New Year, from your Saint Anthony of Padua friends.

### Arcadia Holy Angels, Br. 218

At our last meeting we congratulated Matt Luchetta on an absolutely wonderful New Year's Eve Gala. Our pancake breakfast has not occurred as of this writing, however, I am going to thank Scott Carrano in advance because I am sure that it will be a huge success. President Jerry mentioned that our branch donated a total of \$9,380.00 last year to various charities and Holy Angels Church. This is quite an accomplishment for one branch such as ours. There was also a motion made to name the donut sales after Kraig Keeler who was our official donut saleslady for many years. He suggested calling them "the Kraig Keeler Memorial Donut Sales." The motion was voted on and passed. We welcomed two new members and three guests.

Upcoming: the meeting February 11, donut sale February 25<sup>th</sup> and it is not too soon to start on our St. Joseph's Table on March 17 and 18. Frank and Karen Berardi and Matt and Audrey Luchetta will again be chairing the event.

To everyone a Happy Valentine's Day. See you next month.

### Downey St. Raymond, Br. 362

I'm not sure if our branch sent anything in, but I would like to submit this... Branch 362 St. Raymond hosted the LA District Installation. About 120 showed up for mass and the lunch that followed. Our in house caterer, Park Place Catering provided a great meal, and Past President Charlene Drobeck wowed us with her cannoli cupcakes. On the 19th we held our Family/ Kid friendly bingo in conjunction with the Religious Ed School. A great time was had by all. Be sure to join us on the 18th of February for our next regularly scheduled bingo. Looking down the line into March, be sure to drop by on the 18th and join us in celebrating St. Joseph's Day at our annual St. Joseph's Table where there will be plenty of cookies, cakes, and breads to purchase. Happy St. Valentine's Day!

Our branch is off to a great start with a healthy treasury and lots of member enthusiasm for a new year. Last years' officers will continue

Branch 446 celebrated the 100th birthday of Josephine Gaglio. Congratulations!

to serve in their previous positions except for Robert De Pietro who is now Financial Secretary.

A great selection of speakers is lined up for the beginning of the new year. The January 21st program will feature Sonia Marie De Leon de Vega, the conductor of the Santa Odilia Orchestra, who will discuss the magnificent music of the orchestra and its award winning educational program, called Discovering Music. February 18<sup>th</sup>, Father Chris Ponnet from the Center for Spiritual Care in Los Angeles. In March, attention will be focused on the St. Joseph's Table, our major fundraiser, which will be returning to the Parish Hall and feature, among other things, a pasta luncheon catered by Ali Catering. Check the link on Facebook at [st.josephstableatstbede](https://www.facebook.com/st.josephstableatstbede) for further ongoing updates.

In order for the branch to continue its successful series of St. Joseph's table events we are going to need lots of volunteers. Needed are people to provide home baked goods as well as members to cook sauce and secure items from local vendors for our Silent Auction. We will also need members to serve at the Table selling goods after the Sunday Masses.

The April 11<sup>th</sup> meeting will feature Sister Maria Goretti, a Carmelite, from Avila Gardens Senior Living Community in Duarte.

Mark your calendars for these fun Sunday afternoon 4:00 potluck events as we continue to hold our general meetings at the Knights of Columbus Hall in Montrose.

Applications are now out to 7<sup>th</sup> and 8<sup>th</sup> graders at St Bede School as participants in the Distinguished Student Award program. They are urged to contact Mr. Valente, the school principal.

### Thousand Oaks St. Paschal Baylon, Br. 380

At our meeting on January 5th, our Branch President Bill Metz gave a presentation on the

traditional Italian story of La Befana, an old woman who is said to bring gifts to children as she journeys along, eternally following the Three Kings' path to Bethlehem. After the presentation, all were encouraged to share their own holiday traditions. One of our members, Jean Bridges, played the role of La Befana, passing out small gifts to the branch's children.

Branch Officers brought homemade soups, salads, and bread to share for dinner. Our new board of officers for 2018 introduced themselves one by one. Our monthly attendance drawing was won by Nanette Metz. Everyone had a great time!

The members of Branch 380 wish you a prosperous new year!

### Upland St. Joseph, Br. 446

Branch 446 in Upland has been busy lending a helping hand with events at our St. Joseph parish as well as putting on social events for our members. The parish hall was recently dedicated to the Presentation Sisters that have been teachers at our school. Several branch members helped with the celebration and wine for the event was donated by members Teresa and Jo Canchola. Branch officers also attended the annual Bishop's Luncheon at which time money was donated for those in formation to the priesthood. A Spiritual Bouquet of prayers, rosaries and masses was also presented to the bishop. We had a lot of fun at our Heritage Appreciation Night when we celebrated the birthdays of senior members. One member, Josephine Gaglio, celebrated her 100 birthday with us! A special blessing was given to all by Fr. Al Alamat, brother-in-law of our president Maria Alamat. Buon giorno, Tutti! By the time you read this, we will have started out with a New Board, hosted the District Installation, and had a Calamari Dinner. Future plans for events include the "Soup Suppers" during the Lenten Season, and the annual St. Joseph's Day. To help with the events, a message from our President, Roseann Costabile, asks that 'members help just once a year'. It's fun working on these events and ICF covers all the expenses. If you could help, in whatever capacity, please get in touch with Roseann Costabile or Patty Morelli.

We unhappily report the vandalism of our ICF Branch storage shed that sits outside Holy Cross Hall. Besides taking food stuffs, pots, and pans, the vandals took our Branch Banners! The local police, KSBW TV, and the Sentinel have all been notified of this misfortune. If you have any information, please contact a Branch Board member.

In closing, we share the sad news that another angel has gone from our midst. Lena Silva, a dear friend to all at Branch 21, has passed away. Lena was one of our longest standing ICF members and her support and infectious smile will be truly missed.

Come to your Branch meetings and meet the new Board; help plan our future! You know the drill: 4:30pm on 1<sup>st</sup> Tuesday (2<sup>nd</sup> Tuesday in June and September) of each month at Holy Cross Hall. God's Blessings on us all.

#### N.S. Del Sasso, Br. 25

Branch 25 is pleased to welcome 2 new members, Francis and Sharon Scilacci of Salinas. Several of our Board Members are planning to participate in the Central Coast District Installation Ceremonies in Santa Cruz on January 13, 2018. All members are welcome to attend this lovely and spiritual event.

Just before Christmas, Sacred Heart Parish in Salinas asked all of the ministries to assist with the annual free community luncheon on Christmas Day. ICF was pleased to assist providing some of the food items and helping in the kitchen. The event was a great success with about 700 meals served.

Branch 25 mailed out the scholarship packets to 8 Salinas Valley High Schools the first week of January. We will shortly begin planning towards hosting the District Picnic in August and our Polenta Luncheon in November. At our January meeting we discussed that Valentine's Day and Ash Wednesday fall on the same day this year, something of a dilemma for those who give up candy or sweets during Lent ;-). Our next meeting will be on February 13, (Mardi Gras) at the KC Hall in Salinas.

Our prayers continue for long time member, Don Stoffey, during his recovery from a recent health event.

Happy Valentine Days to all.

January 4, 2018, before our dinner/meeting, Branch #36 honored our Past President Elizabeth Grammatico with a bouquet of roses, engraved crystal vase, and a beautiful cake. Liz served as our Branch #36 President for 15 years with her great dedication, leadership, sincerity, and professionalism. Liz has been an inspiration, kind and caring friend to all of us. We surprised Liz and had all her family present to celebrate with her. Eddie Leonard sang a song for Liz, in her honor. Chef Peter Curatolo prepared a wonderful dinner for us, Greek Salad, Stuffed Chicken over polenta, our famous garlic bread, and chocolate cake for dessert.

Branch #36 is getting ready for our Lenten Fish Dinners, starting February 16, 2018, \$14.00 per person. We thanked all our volunteers, who will be working during our Lenten dinners. We are also blessed to have all the youth who will be helping us out during our Lenten dinners.

Our sympathy to the family of Francis Solis. Francis was a member for 8 years and may she rest in peace.

We pray for all our members on the sick list, may they all get well soon.

Our Branch Officers enjoyed attending the Central Coast District Installation ceremonies, hosted by Santa Cruz Br. 21, on Jan. 13<sup>th</sup>. We were also blessed with beautiful weather for our drive up and back!

Br. 291's first Lenten Fish Fry will be held on Friday, Feb. 16, 2018. We will be serving up 5 fish fries during lent on the following dates: Feb. 16<sup>th</sup> & 23<sup>rd</sup>; March 2<sup>nd</sup>, 9<sup>th</sup> and 23<sup>rd</sup>. Please join us if you're in the area for a delicious fish dinner with fries and homemade coleslaw, plus a large assortment of delectable cakes for dessert!

Our Branch lost a very sweet and joyful man recently. Frank Bavaro, a longtime ICF member, passed away peacefully on Dec. 22<sup>nd</sup> with his wife, Ellen, and other family members by his side. Frank always lit up

### East Bay District Council

It was nice to hear some new names called for officers in different branches at Installation on Sunday Jan.14th. Thank you for stepping up and meeting the challenge. Remember we "seasoned" ones are there to mentor you if you just ask. Thanks to Branch #10 for handling the details on this occasion. It was special to have the Central Council President, Andy Pappani, with us for the day.

Currently the focus of the District is the Crab Feed on February 17th as this is our main fund raiser to support the scholarship program. The food is always excellent and it is a lot of fun for attendees; hors' doeuvres, raffle baskets to bet on and our card chance game will keep you entertained. Bring your friends and enjoy the evening.

We are still working on the details for the Quarterly Mass in March and as for Bishop's day, we still need a date before we can fill in the blanks for when and where. More to follow, we promise.

Happy St. Valentine's Day to the many sweethearts out there. Stay healthy and happy.

#### Nostra Signora Delle Grazie, Br. 10

We welcomed over 120 guests to our annual Polenta Dinner on Saturday evening, January

13. More large groups were present than have attended our recent social functions. The celebrants enjoyed the meal of salad, polenta with chicken and dessert prepared by our reliable chef, Ben Ratto, and his assistant Rich Kaula.

The next day, Sunday, January 14, we co-hosted with Branch 40 the East Bay District Installation at the Fratellanza Club in Oakland. The event included Mass offered by District Chaplain Rev. Rafal Duda, the installation ceremony, fellowship and dinner prepared by the staff of the Fratellanza Club. Grand President Andrew Pappani north travelled from Gilroy to officiate. Branch 10 Trustee JoAnn Dorn prepared the altar for the Mass.

Next on our calendar are the Lenten Fish Fry dinners, which commence on February 16, the first Friday of Lent, and conclude on March 23, the last Friday prior to Palm Sunday. The dinners are served following Stations of the Cross at Saint Philip Neri Church, High Street at Van Buren Street, Alameda. The Stations start at 5:30 p.m. Prices are \$15.00 for adults and \$5.00 for children. Reservations are not necessary.

Our next major social event will be the very popular Irish Social, which is scheduled for Saturday, March 17, Saint Patrick's Day. The traditional menu dinner of corned beef and cabbage, cooked by Ben Ratto and Rich Kaula, will be served. Social time will commence at 6:30 p.m., and the salad plates will be placed on the tables exactly at 7:00. Prices will be announced in the March Bollettino. For information, contact John Zugnoni, [john@zugnoni.net](mailto:john@zugnoni.net) or (510) 523-8005.

About 75 party-goers from Alameda and Oakland attended the Fifth Annual Rosa Bowl on New Year's Day in Monsignor O'Brien Hall. The afternoon of buffet and football honors a deceased member of Branch 10, John Rosa. John often cooked for our Fish Fry dinners. The event raises money for the John L. Rosa Scholarship Fund, which provides financial assistance to college-bound graduates of La Escuelita Elementary School in Oakland, where John taught for many years and was beloved by his students. At our Branch meeting of January 4 we voted to donate \$150.00 to the scholarship fund. Thanks to John's wife Jan and John and Jan's three sons, John, Jeff and Jim, for keeping the memory of John alive in this

wonderful way.

Finally, Branch 10 congratulates our second-president, Peggy Lubeck, and her husband Bob on their 50th wedding anniversary, which they celebrated on January 13 with Mass at Saint Philip Neri Church and reception. Bob also attends all Branch meetings and contributes considerable time and effort to our functions. The celebration continued with a 15-day cruise to the Hawaiian Islands.

Christmas and New Years are but a memory and we're looking forward to President's day. Remember when Lincon and Washington each got their own day and when the shortest

month of the year was eagerly anticipated for its multiple holidays? Ah, the simple days of childhood. Fear not, we have several events coming up so take note.

The East Bay District's Crab Feed will be held on 2/17/2018 in Alameda at St. Philip Neri Church Hall, Corner of High and Van Buren Streets. Cocktails at 6:00 p.m. and Dinner at 7:00 p.m. Price is \$50.00 per person. Children 10 years and younger will cost \$10.00. Chicken is available in lieu of crab. Call Fran LaTorre no later than 2/10/2017 at (510) 887-1509.

Branch 215 will be hosting the next East Bay District Quarterly Mass and Communion on March 3, 2018. Mass at Corpus Christi Church in the Niles District, Fremont will begin at 5:00 p.m. Refreshments will be provided following the Mass.

Two memorial masses will be held for our ICF brethren; the first on April 22nd at Holy Spirit at 12:30 PM, the second on August 12th at Our Lady of Guadalupe at 10:30 AM. We ask our ICF family to attend if possible.

ICF Branch 215's bingo luncheon is tentatively set for April 19th. Additional details will follow.

ICF Branch 215 looks forward to joining other ministries at Corpus Christi Church as hosts for a Soup Supper Night during Lent. More information as to date and time to be provided in near future.

As soon as the rains let up and things dry out a bit, bocce season will soon return. Scott Schiecl, who is also a member of the Fremont Elks has some interesting news for all of our bocce players. Here's the news in Scott's own words:

"Branch 215 is working with the local Fremont Elks Lodge to develop two new bocce courts. For the past 18 months, the branch 215's bocce group has had to make do with an old track at an elementary school. The new courts will allow two separate games to be played on adjoining courts. The courts will be built to regulation dimensions and surfaced with sand and crushed shells packed hard. The members are looking forward to playing on the new site this Spring."

Until these new courts come to fruition we will still be playing at Our Lady of Guadalupe's track field which they have so graciously made available to us. Jack Navarra is our primary contact, he can be reached at (510) 656-0258.

We want to take this opportunity to wish all members with birthdays and anniversaries in February congratulations. Our thoughts and prayers also go out to those who are ill and for the safety of our first responders, military, and their families.

Happy New Year to all. We are happy again to have Carolyn Cardinali as our President and Elaine Meier and Christine Cardulo as our VP's. Thanks to all others who stepped up to fill our offices and support Branch 285. Our annual Nativity Display at St. Elizabeth Seton was an awe-inspiring event as the photos nearby show. We had nearly 100 Nativity sets on display. Everything from home made to sculptured pieces from all around the world. Some said this was the only place they showed their Nativities. We're very honored by all those who shared with us their connection to Jesus' birth and those who attended. Watching the children with their families viewing the Nativities was a special treat for me. You can see the enjoyment in their faces in the nearby photos. We're looking forward to our annual Bingo Bash or Tombola on March 3rd at St. Augustine's Church in Pleasanton. It was a big hit last year. As the Italians say, «Un po' di fortuna, e tante allegria,» a little luck and a lot of fun. Jan Sherman, physical therapist, will speak to us on January 19th at St. Elizabeth Seton. Her subject is senior health and wellness with an emphasis on falls and balance, a subject of interest to all. Jan has an impressive and extensive background in this area including a masters degree from University of Southern California. Please call Carlotta Schauer at [925-449-5944](tel:925-449-5944) if you plan to come.Ci vediamo presto?

Thanks to all who attended Installation on Sunday Jan.14th, hopefully you were able to meet some new people/peers from other branches and see what is happening with them.

Busy hands are happy hands and we about to find out if this is true because February and March will have all of us very busy. The first thing on the agenda is our Super Bowl Bake sale on Feb.4th.,this is a fund raiser to aid in our scholarship funding. And not only will we be selling our delicious baked goods,but we will also be taking orders for our Biscotti sale in March. This is also a fund raiser,and if last year is any prediction of the future,a very popular one.

Next will be our sell-out Polenta dinner on February 8th, maybe an early Valentine's dinner.

And then we will be helping with Lisa's delicious Minestrone Lenten soup meal,and just think it is not even March yet.Thanking you all for all your help with these activities.

If anyone has any ideas for special raffle baskets for the District crab feed, feel free to step-up and volunteer!

Don't forget the St.Joseph's table at our March meeting, we support the St. Vincent de Paul Society at Transfiguration Church with your donations at this function.

With all of these activities here's hoping that you are all able to remain healthy.

Happy St.Valentine's Day to all, keep those sweethearts close.

I'm writing this in January, prior to our Polenta and Sausage Dinner, but I can tell you with confidence that it will be successful. It's still cold outdoors, polenta is a comfort food, and the warm ambiance assures a winning combination.

Pork Loin will be served at our regular meeting on February 13<sup>th</sup>, and tickets for the March 10<sup>th</sup> Traditional Corned Beef Dinner will be sold after the meeting. Lots of green is promised at the Corned Beef Dinner; green decorations, and prizes, and for those with the "Luck of the Irish," perhaps Pull Off Ticket wins! Adult tickets are \$20. and children's tickets, \$7.00.

On Sunday, February 25, a Continental Breakfast will be served in the Hall for all members attending 10:00 a.m. mass.

Get well wishes were sent to Wanda Abondonza, Clare Alvarado, Donna Hoffmann, Johanna Ochiner, Helen Petersen and Elma Nursement. We miss you all at our meetings.

Condolences to the Dent Family and the Townsend Family. Additionally, it is with great sadness that we report that two of our favorite members, John Sepulveda (Suppy) and Begonia Triglia have passed. Suppy's smile and hugs will surely be missed, and to put it simply, Begonia was a wonderful woman, with many positive qualities. Our sympathies to their loving families.

In February, we celebrate President's Day, so this is a perfect time to thank our own President, Donna Hoffmann. We are so very fortunate to have such a dedicated, exceptional woman willing to lead us. Donna exemplifies volunteerism and charitable good works. She is generous with her time, quick to add humor to what could be contentious matters, and never declines a request for help. Donna Hoffmann, President Extraordinaire! Thank you, Madam President!

We started our New Year off right – with a Pasta & Crab Feed on January 15th! Once again, Russ Belleci catered his delicious marinated crab, with pasta & all the fixin's. No one left hungry – and, by the noise level, everyone had a great time! Then, it was time for our Installation of Officers, held at the Galileo Club, on January 20<sup>th</sup>. Many thanks to all of the involved branches, for a wonderful day & lovely luncheon.

To all of you Bingo lovers, plan to join us for our Champagne Bingo on Saturday, February 3<sup>rd</sup> in the St. Isidore room. Doors open at 5pm with dinner catered by Boston Market. This is always a well-received social event, enjoyed by all parishioners.

Happy New Year All !! A little belated but all good.

As we start the New Year we should take time to reflect on the year just past and the many blessings that we received. By reflecting on the past, those experiences can be used going forward for our continued well being and

success as an ICM Branch. At this time in our lives we are indeed blessed to be part of a community like IHM.

Branch 432 ended the year with a rollicking good time at our annual Christmas dinner. Well attended as always, we closed out 2017 in style. The dinner was held at Sweeney’s restaurant in Brentwood. With thanks to all who attended, it was a great way to finish the year.

With little going on in December, we’ll use this space to take a look at 2018 and what it holds. With no guarantees for accuracy, here is a thumbnail overview of the major activities for the coming year:

- January -- installation of Officers
- February -- Parish Breakfast
- March -- St. Joseph’s Table, The sale of Raffle Tickets begins
- April -- Parish Breakfast
- June -- Scholarship Awards Dinner, Monkey Wrenches Car Show, Parish Breakfast
- August -- ICF night at the Oakland Coliseum with the A’s, Parish Breakfast
- September -- 9th Annual Festa d’ Italia, ICF Convention
- October -- Nominations of Officers for 2019, Parish Festival, Parish Breakfast
- December -- Christmas Dinner, Parish Breakfast

There you have them, the 2018 activities. Start putting your thoughts together for the events you would like to work on.

Have a great year, full of good health,

happiness and God’s Blessings.  
I am in charge of how I feel and today I am choosing happiness.

Hope 2018 has started well for everyone. Bit cold and rainy. We are most definitely in inverno.

It was nice to read the different family heritage and recipes in the ICF calendar. Don’t forget that we have our own Where Are We From map. Make sure Nancy Santos, Heritage lead, has your family information. Or any updates. Maybe you thought your family was from the north and through popular ancestry searches you found out they were from the south, or Spain!

If you haven’t taken note, here is a reminder of upcoming events. Please be on the look-out for the sign-up sheets:

Dinner for our parish youth group. Our Ladies Tea fundraiser is scheduled for March 24<sup>th</sup>. Serve and share a meal with our parish guest families during Winter Nights. Salami Toss booth at our parish festival in May.

The Feast of Saint Joseph is in March. Be sure to look at the online March meeting invite. Hope you can all make it and participate in the traditional Saint Joseph’s Table.

Plan to set aside the evening of 10 March and attend the polenta/chicken dinner which marks the seventieth anniversary of Branch 73. Besides the polenta and chicken, the dinner will consist of salad, roll, and dessert. Tickets are \$20 for adults, \$10 for children six to twelve, and at no cost for those younger. Tickets will go on sell in February and may be ordered from Giuseppina Novi (783-3816), RoseMarie Presti (791-1726), and Arlene Roe (782-3073). Those who have attended Branch 73’s dinners in the past can testify to the excellent food, ample beverages, nice raffle prizes, and pleasant company that characterize them.

The year 2018 is still young enough to allow us to extend best wishes that all the members of Branch 73 and of the entire Italian Catholic Federation may experience good health and much contentment, and during it may they accomplish many good things.

First, congratulations to member Mary Colletta for reaching her 100<sup>th</sup> birthday! A lovely intimate birthday party was held for her, and she looked lovely. We wish her all of God's blessings.

Long time member Maria Tollefson passed away in November. She was Branch 229's President for many years, and she was always in the kitchen or parish hall working at events. We shall miss her. Our deepest condolences to her family. May she rest in peace.

The Branch's Christmas party was a great success. Thank you to Louis and Esther Pierotti for making it such a great event! The lunch was delicious, and a great time was

Michael & Sandra Fuentes' grandchildren Lukas & Mia, with Connie & Darrell Terry's granddaughter Sy.

Sts. Peter and Paul, Br. 38

The Holidays are over and its time to start the New Year! One reason we didn't have a meeting in January was the SF Branch had the ICF Installation Luncheon on Saturday, January 13, normally Br. #38 meeting day. Because our meeting attendance and membership is low, this years' ICF Grand President Andy Pappani, wants our Br. #38 to stay open and active. After Debbie Major, SF District President, and I had a conversation about Br. #38's future, Debbie spoke to Mr. Pappani, and he told her there would be a Membership Drive in February. I do not know the details or when the Membership Drive will happen, but as soon as I know I will absolutely phone all our 2018 paid up members to give you the details. Mr. Pappani also told Debbie Major, Grand Trustee Anne Interrante from Br. #380 will be taking care of the meeting/ Membership Drive.

A lot depends on us members more than ever! We need to get involved to help keep our branch alive and going. Hopefully, 2018 will be a good year for us to get new members to join our Branch #38. We will do more advertising in our SSPP Church Bulletin and in "Nextdoor Washington Square North Beach"...via the computer. Please, wish us good luck in our endeavors. If you think of a way to recruit new members...please do so!

We had 11 members & guests present our Christmas Mini Meeting and Party it was very enjoyable...we had a good time. The Luncheon was catered by the SFIAC and was delicious...the SFIAC included everything...even the wine! It was great to see our members: the Ramsey boys...Patrick, Dominic, Matthew and our guests: George, Joe, Victor and his lovely wife, who helped us so much. One funny or terrible thing did happen: I promised our 2 home-bond ladies, Madeline Torre and Iva Belloni to bring them each a slice of our Strawberry Shortcake dessert. Well what did Cosmo do...in his hurry he smashed the 2 pieces of cake in the trunk... sorry...we owe you cake, ladies!

Santa did not show up this year. We thought of hiring 1 from Washington Square Park where at this time of year there are 1,000's, but Dominic & Matthew did a great job!

ICF Grand President Andy Pappani asked Cosmo to please collect the 2018 Dues for Br.#38. So far 12 members have renewed... it's a good start. Please help us, by paying promptly! If you have questions, please phone Cosmo 1-415-392-3560.

I'm not sure when our next meeting or

Membership Drive will be...expect a phone call!

Ciao,

Mara Amato

Buon Anno Nuovo !

Si spera che quest' anno portera pace' e salute a tutti !

Branch 50 wishes a Happy New Year to all ICF Members and their families.

We did not have a business meeting in December, however we did have a wonderful Christmas Celebration by enjoying our Christmas Luncheon in the private room at the San Francisco Italian Athletic Club. It was an honor to have Dante Galleozi, from Central Council, join us. All members brought unwrapped toys to be donated to the "Operation Dream . The gifts were personally picked up by their representative, who told us of the work they do, and expressed his thanks and appreciation for all of our gifts.

We were happy that our past president, Liana Giovannini Figone was able to attend together with her son Joe, and share in the festivities. We must note that among all her accomplishments she also holds the rank of "Cavaliere" !

We look forward to our first meeting of 2018, and we wish everyone a Happy Valentine's Day !

Ciao, Anstell Ricossa

Happy Valentine Day South City!

Bet you didn't expect to see an article in this month's Bollettino, but through the grace of God a new editor has been found.

With the New Year, a new slate of officers has been elected:

VP: Lola Migliore

Treasurer/Recording Secretary: Donna Smith

Financial Secretary: Dean Balestieri

Orator: Leonore Armanino

Trustees: Robbie Huerta, Jeanette Acosta, Barbara Bergamaschi and Odilia Gutierrez

Congratulations to Odilia who is a long time member but a first time officer. Thank you for saying yes to the nomination, we know you will love it.

A big thank you to our former Branch President Jim Eli for a phenomenal job. The Branch appreciates all you have done these past two years. We also thank retiring trustees Manola Scovel and Carol Tassan.

This year marks Carol's 40th year as a member and she has been a tremendous booster for our Branch along with her late husband, Giordano "Gerry" Tassan. Her retirement as an officer is well deserved.

The Aldo DeTomasi Memorial Cioppino Dinner will be held Saturday, February 24 at All Souls and chaired by Aldo's longtime sous chef, the magnificent Bill Mangini. \$45 for adults and \$20 for children. Call Donna for reservations 650-796-9466. Remember a chicken dinner is available for those who don't eat crab, let Donna know when you make your reservation.

**District Council**

Our newly elected Santa Clara Valley District Board was duly installed as well as all the branch mentors. Emily Corral and Donna Pfaff were replaced by Pat Cordich and Mary Ann Ruiz. No other changes were made so we will have a veteran core of officers and mentors to lead the district for 2018. John Gillio was recipient of the "Mentor of the Year".

District Mentor Jerry Delfino reminded all branch mentors to read their "In Touch" newsletter and if they have any questions to contact Vince Piro, head of the Mentor Program. Jerry also mentioned that the Mass & Pilgrimage for St. Frances Cabrini was the best he attended, and the lunch was excellent.

Branches 184 and 368 have their crab feeds on Feb 24 and Feb 3 respectively. Branch 368 reported they made \$5400 on their Monte Carlo Night, Equal shares were given to the Knights of Columbus, Fil-Am Group, ICF 368, and Santa Teresa Church. And SCV District Bishop's Day was very fruitful with the Bishop McGrath receiving a Spiritual Burse as well as \$9,000 dollars.

Denise Antonowicz told the members that Italians do not have a comparable "Thanksgiving Day" but rather celebrate a "Festival of Thanks" called "Il Giorno di Ringraziamento". Mike Rossi told members that November 11 was the Feast Day of St. Martin of Tours. Martin was a patron Saint of France and was one of the first non-martyrs to be publicly venerated as a saint.

Well here we are in a New Year. We pray all went well for you during the Christmas Holiday Season.

The Installation of Officers was held on January 6 at the Transfiguration Church in San Jose. It is the newest branch in our area and they did a wonderful job! Fr. George Aranha gave a message of love and inclusion. The ceremony went off beautifully and the catered lunch following gave us a chance to catch up with old friends and make some new ones!

Please keep February 24 open on your calendar. We will be hosting a dinner on that date and the details will be coming.

This is the time of year to call Rose Arnaudo for those wanting a scholarship application. Her phone number is [\(408\)354 4017](tel:4083544017). Applications are available and the requirements for the students are being Italian and Catholic, and related to a member of the Italian Catholic Federation.

Greetings for Valentine's Day and best wishes to you all throughout this year,

Branch 191 had its first Board Meeting for the year 2018 on January 2<sup>nd</sup> and I found it amazing how many items you have to cover that first month! Our Branch is off to a great start, with an Installation on January 6<sup>th</sup>, a Day of Recollection on January 15<sup>th</sup>, a Quarterly Mass and Luncheon on January 21<sup>st</sup>, and our first General Dinner Meeting on January 24<sup>th</sup>.

I have a great Board of Directors and I'm looking forward to working with them this year.

#### Santa Teresa de Avila, Br. 368

We are so sorry to report that John Janini, a founding member of our branch and past president, has passed away. We really miss his gravelly, deep voice announcing, "The bus is full!" John and his wife Judy spent a lot of time and earned a lot of money for our branch organizing the bus trips to the Indian casinos. Such a loss for all of us. May the souls of all the faithful departed of branch #368, through the mercy of God, rest in peace. Amen.

Thank you to our January hosts and hostesses, Steve and Caroline Caracciolo, Bobbie Gallegos, and Paula and Bill Radzinski. The lasagna, salads, appetizers, and desserts helped us all ring in 2018 with a hearty celebration. Thanks, folks!

Our next big event is the parish crab feed on February 3. One of our past presidents, Phil Robba, and his wife Joyce play a leading role in planning the crab feed. They also organize the parish food pantry and chair the food distribution on the holidays. They do a wonderful job!

We thank also Tina Souza Dutra, our branch mentor, who is beginning her fourth year with us. She is always available to answer questions and encourage us in our efforts. Thank you for your enthusiasm and your support, Tina!

Have you ever thought that random acts of kindness may be very kind but chosen carefully rather than randomly?

### Sunnyvale Resurrection, Br. 408

Installation of our 2018 Branch 408 Officers was held at our newest Branch in the Santa Clara Valley District (SCVD) Transfiguration Br 445. Our 10 AM Mass was celebrated with Fr. George, Fr. Chris and Fr. Tito. Msgr Milani was also in attendance. Fr. George gave an excellent Homily about bringing Joy into each others lives with little acts of kindness and compassion. The effects of the 2018 Flu Outbreak were widely evident with a reduced turnout for this event.

A very tasty Luncheon was held in the Parish Hall after the Installation and Mass. Fellowship was widely evident as members of the District caught up with each other after the Holidays. We look forward to a successful ICF Year in 2018.

Ash Wednesday is 14 February and ICF hosts the first Lenten Soup Supper in the Farana Center (FC) on Friday 16 February. We will need ten (10) soups in FC by 630 PM to serve our Parishioners.

Our High School Scholarship Applications need to be submitted by 15 March 2018.

### Cloverdale L'Annuciata, Br. 75

HAPPY NEW YEAR! Our ICF Branch is growing!

We had a great December Meeting. Everyone brought food to share that was red or green. We also brought Christmas gifts for 2 families in the community that we adopted for Christmas. Every member of the family received gifts and food was provided as well. There was an outpouring of generosity from our members.

This year we were also to make a donation to Catholic Charities for victims of the fire.

We are planning for our biggest event of the year, BBQ Chicken & Pasta Dinner. It will be held on February 17<sup>th</sup> this year. It is always held on the Saturday during the Cloverdale Citrus Fair. We still have some preparations to do for it.

Everyone is looking forward to the District Installation of Officers at St. Eugene's on January 21<sup>st</sup>. We have a good nice slate of officers that are ready to get to work. Our Pastor, Fr. David Galeana, has agreed to be our new Chaplain.

We are thankful for all the blessings of this past year!

### St. Sebastian, Br. 103

I have just volunteered to be the new Recording-Secretary of Br. 103, relinquishing my position as Treasurer. Our dinner meeting was this evening, January 9th at 4:30 p.m. Our dinner was very good, turkey meatloaf with all the trimmings and several members in attendance.

We will have a new President, Ken Marshall who seems to be quite anxious to assume the reins from Thomas Wurst who has decided to become 1st vice-president instead, citing work related obligations. I shared the table with Ken, Josephine Grant and a few others. We are all looking forward to a great new year as our little branch engages new officers and grows. Hopefully, January 21st at St. Eugene's will be my first opportunity to view the new cathedral and to embrace another position in our branch, 103.

Respectfully yours,

District Council

Greetings from the Stockton District! We pray that everyone’s Christmas was a very happy time with your family. Now with the New Year, we are ready to roll up our sleeves and begin the work of the ICF.

We had our installation at St. Stanislaus. Thank you Central Council members for being with us on this special Epiphany Sunday. Your dedication to the organization does not go unnoticed (especially when the long trip is made on the day of the wedding anniversary). Branch 48 did a great job as always with the reception. Dinner was delicious. Sebastian, our 8-year old was unofficial photographer at the event with Elizabeth Demichelis (Branch 139) providing great assistance at a crucial moment. Steve Ridolfi was the official photographer. Thank you to all who made this day a special one.

Our next District Meeting is scheduled for February 11, 2018, at St. Bernard’s in Tracy.

Respectfully submitted by

Robert J. Pachinger, President

We had a great turnout for the installation of officers and a great deal of help from the district branches for the set up and with the mass. Their help was very much appreciated. Many complements were received on the food. Thanks to Annette Elissagaray for being the MC at our dinner.. As always she did a great job. A special thanks to Father Ramon who was able to say the mass this time and stay for dinner. He is a great supporter of the I.C.F.

The Italian Catholic Federation, Branch #138 of St. Luke’s Church in Stockton, California, held their Christmas Party for members’ families on December 16, 2017 in the parish’s Social Hall. The branch provided a ham main

course, with members bringing their favorite side dish or dessert to share.

Following the dinner, members enjoyed a wild game of “Christmas Mad-Libs,” and the Bear children, Natalie, Emily, and Molly, sang a delightful medley Christmas carols.

The Italian Catholic Federation #138 is working with St. Luke’s Knights of Columbus to hold several joint fundraisers, the first one being a St. Patrick’s Day corned beef dinner on Saturday, March 17, 2018.

With the corps of officers duly installed for 2018, Branch President Dr. Elizabeth Demichelis is looking forward to an active year.

The budget committee of Marilyn Amoral, Lillian Pauletto and Jim Alfieri met with the president, developed a 2018 budget and found some leftover 2017 funds. The committee then allocated those funds to the electricity improvement project at the parish rectory, to Sister Ann’s parish senior ministry, to the Catholic Youth Organization for new uniforms, to Sister Ann herself and to our priests and seminarians. Tony and Ida Queirolo were recognized for their preparation of the delicious dinners at each of our monthly meetings.

The 2018 budget was presented, discussed and unanimously approved by all the members present. Funds were increased for our

delegates to the Grand Convention in San Diego, as well as for our donation to Gifts of Love and for an increase in the number of student scholarships.

Central Council member Dante Galeazzi, assisted by Past Branch President Frank Re, initiated several new members.

We hope that all I. C. F. members enjoyed a Buon Natale.

Ciao,  
Mariano

**St. Bernard, Br. 390**

Thank you to members who have agreed to become the new 2018 officers for Branch 390: President Lucy Orsi, 1st Vice President Anita Ridolfi, 2nd Vice President Nancy Schlemmer, Recording Secretary Anita Ridolfi, Correspondence Secretary Betty Hollars, Financial Secretary Annette Elissagaray, Treasurer Serena Martocchio, Orator Joe Schlemmer, Trustees are Joe Bacchetti, Mary Gualco, Marilyn Tuso, Sentinel Stephen Ridolfi, Branch Deputy Marilyn Amoral, District Deputy Karen Rosson. Installation of all district officers were Sunday, January 7 at St. Stanislaus Church and our own Annette Elissagaray was chosen as MC. Lots of fun!

On January 25, members feasted on the ever-popular polenta and chicken cacciatore along with all the trimmings. We are very fortunate that our membership is continuing to grow each year after several years of declining numbers. Annette Elissagaray has been doing a fantastic job as our membership chairwoman for the past few years, paying special attention to new folks and encouraging them to participate in everything. Again our thanks go out to the members who donate raffle prizes and continue to contribute every month - our highest ever month last year was \$680 for raffle tickets - all profit since the items are all donated! Can't beat those numbers, or can we?

February's monthly meeting will be Thursday the 22nd and all are invited for the month we celebrate love. Menu includes ribs, special secret recipe beans and all that goes with them! Can't wait!

Our condolences go out to the families and friends of long-time members who have passed away recently, including Betty Brazil, Dominic Nunes and Robert Weinberg. May they rest in peace in the glory of God.

Hope everyone has a healthy, happy and safe 2018!

Ciao for now,

**Presentation of the BVM, Br. 395**

What an exciting start to 2018!! Our new branch officers were installed and it is thrilling to see so many members step up who haven't held leadership positions in the past. Their enthusiasm is contagious and we look forward to a fantastic year.

February is a busy month for our branch. We will be holding our annual Polenta Dinner on February 8. This is our branch's major fundraiser of the year and we appreciate all of the community support. Our goal is 500 attendees, so fingers crossed. If you would like to attend, and who doesn't enjoy polenta this time of year, reach out to Karen Rosson, this year's chairperson.

Our two 2017 scholarship recipients, Gina Devaggio and Grace Lin-Cereghino have survived their first round of finals and are both very happy with their college choices. We are so proud of them both.

During this Lenten season our branch looks forward to again sponsoring Stations of the Cross along with a soup supper prepared by the excellent cooks in our branch.

We also decided to challenge our Branch 395 members this year. We have asked everyone to bring in one new member in 2018. We challenge all of you to do the same!

Alla prossima,

Buon Anno at tutti! Our branch had a lovely December meeting. Though many of our members were out of town visiting with family for the holidays, those of us who attended the meeting were greeted by lovely Christmas piano music from one of our newest members, Paul Lupo! That's him in the photo, along with photos of other members getting ready for our meeting. We even had a Christmas sing along after out appetizer and dessert potluck. Really put us in the holiday spirit.

We are getting ready for two big fundraisers, our newest, a Hawaiian Luau luncheon on January 13<sup>th</sup> and our annual Sit down or
