Dear Branch President:

I have been appointed as Chairperson of your Central Council Heritage Committee for the 2018-2019 year. Heritage is at the very heart of our Federation; traditions influence our lives every day in the way we eat, live, love, laugh, sing, play and pray!

I would like to thank this past year's Heritage committee members. Thank you to the family members who were also there, not only to support us, but to help us build our floats and cheer us on.

Please send me your Heritage Chairperson's contact information, including e-mail, if possible, address and phone number. Remember that Heritage is an important part of each and every meeting.

To assist your Heritage Chair, the Heritage Committee is placing more and more material online. At www.icf.org, one can find information about the organization and the founders - Sir Luigi Providenza and Fr. Albert Bandini.

I urge your Branch to host at least one big heritage program or event per year. Consider having a St. Joseph's Day Table, a Columbus Day celebration, an International Heritage Day or a special Christmas program, etc. The possibilities truly are endless and lots of fun.

Each year at the Convention, we have a Heritage Table with material and information available to help provide ideas for your Heritage programs. I hope your Branch considers using these great ideas for meetings and fundraisers, so that members and all who attend our functions will develop a deeper appreciation for where we come from and who we are as an organization.

If you and/or your Chairperson have any questions or want to share ideas, feel free to contact me at d56@comcast.net or 408-656-8954.

I look forward to working with each of you in our continued efforts to support the Italian Catholic Federation.

Mille Grazie,

Denise Antonowicz
Grand Treasurer of the Central Council
Heritage Chairperson
