

GUIDELINES FOR INSTALLATION OF OFFICERS

The purpose for these guidelines is to promote consistency throughout the Federation. There are some rules that must be followed regarding the Mass and protocol.

Installation of Officers is held in January, February, and March. The C.C. Grand President or his/her representative is the Installing Officer and chooses at this time to give the annual message. The Branches within the District rotate hosting the affair.

We encourage the Districts to have a Mass in conjunction with the Installation. If the Mass is at a regularly scheduled Parish Mass, the officers are installed after the Mass. If it is a special Mass, and if the Pastor allows, you can install the officers before the Mass. In that way, as soon as the Mass is over, you immediately proceed to the Installation. It is permissible to have the Installation before Mass or in the Church Hall. In lieu of a Mass, Benediction or a Prayer Service may be held.

Appoint a Chairperson to coordinate the day. **Remember to reserve the hall, if using parish facilities.** Contact the Pastor for the date and time. Plan the Liturgy with the Pastor, have members of the Federation as Lectors, Eucharistic Ministers and Ushers. The Lectors should be members who can speak clearly and articulate well. Include the Federation in the petitions if the Pastor allows it. At the end of the Mass, sing "Noi Vogliam Dio."

Send out publicity and information to the Newspapers, Church Bulletins and the Branches within the District well in advance.

Reserve the front pews for the C.C. Grand President and spouse, Central Council members and spouses. **Mark the pews for the officers to be installed. Have officers arrive at the Church at least ½ hour before to complete this process.**

Invite the Host Pastor and Associates to the Installation and Dinner following.

Program can be as follows:

- 1) The Local Chairman or District President welcomes everyone. He/She introduces the C.C. Grand President. The C.C. Grand President calls upon the District Secretary who will call out the names of the officers to be installed.
- 2) The C.C. Grand President introduces the C.C. members who will give the officers their scarves.
- 3) Installation of Branch Officers takes place.
- 4) The District Mentor is installed next. Branch Mentors are then installed and scarfed by the District Mentor.
- 5) Next, the District Officers are installed.
- 6) **The District President is encouraged to give a short but inspiring message.**
- 7) The District President re-introduces the C.C. Grand President for his/her message.
- 8) The District President closes the event and dinner follows.
