

## **Branch President's Guidelines**

### Introduction:

The following guidelines have been developed to assist you in carrying out your duties as President of the Branch. Attached is a yearly schedule of important events and dates when materials are due in the Central Council Office.

In order to begin each year properly, immediately after your Branch's Election of Officers in October, an Officers Meeting should be scheduled to plan a yearly calendar of Branch activities. Contact the Pastor and discuss any special requests or projects for the Parish that the Branch may undertake. Keep your Pastor informed of your Branch activities, especially those dealing with Apostolate Charity work. (i.e. Branch Communion, Retreats, Masses, etc.) Check with the Parish Secretary about the availability of the Parish hall and facilities.

Upon approval by the membership, copies of the Branch activities calendar should be mailed to each member and to the Pastor so he is aware of the Branch events.

At the November meeting, the President appoints Chairpersons to the following standing committees:

Public Relations, Membership, Heritage, Apostolate/Charity, Scholarship, Other.

Branch Presidents must appoint 2 Delegates and 3 Alternates to attend District Council Meetings. (Note: a Branch President is an automatic Delegate to the District)

### **OFFICERS MEETING**

When all officers have been elected and committees established Officers Meetings, with the appropriate Committee Chairpersons, should be held monthly or quarterly. These meetings are held prior to the regularly scheduled Branch meeting for the purpose of planning and suggesting the various activities and events sponsored by the branch throughout the year.

Details of the Branch activities such as time, location, ticket price, menu selection, etc. should be discussed in advance. Advanced planning will greatly increase your effectiveness in conducting a Branch meeting, thereby eliminating lengthy discussions of each event. Monthly meetings should be brief, no more than 1 hour if possible, so a program of interest can be presented to the members.
