

January 1, 2021

Dear Members of the Federation,

The Apostolate Charity Report Form for the year 2021 is included with this mailing. Please note the due date is July 7, 2021. Branches should be working on compiling their statistics throughout the year.

In 2020, out of 113 active branches, we received 68 reports. Next year, I would love to see 100% of the branches sending in reports. All branches do apostolic and charitable activities, please submit a report, so we know about your activities. You should be proud of all the good work you do! The districts or areas with 100% participation for 2020 are: Contra Costa, East Bay, Marin, and Reno. The complete report was in the October 2020 Bollettino.

As a whole, in 2020, the ICF donated **\$335,068.00**. While this is a decrease from the previous year, branches are to be commended for continuing their good works during this difficult time. We also increased our donation to Cooley's Anemia Research in 2020 to \$75,000, which was presented at our Virtual Convention. Dr. Coates and Laurice Levine are much appreciative of our efforts.

If you have any questions about the Apostolate Charity Report or concerns, please contact the Italian Catholic Federation office at 1-888-423-1924 or contact me at 707-478-3639.

Respectfully,

Lauren Kilcullen
Chairperson of the Apostolate/Charity Committee

Committee Members: Lisa Crudo, Nancy Corsi, Carmen Kilcullen
