

Workshop Committee 2021 Convention Report

The Workshop Committee worked with the Mentor Program. Your Workshop Committee participated and supported the goals of the Central Council to redevelop the Mentor Program. It developed and presented Mentor Training workshops this year.

The Workshop Committee is composed of Grand President Vince Piro, myself - Past Grand President and Life Member Andrew Pappani, Past Grand President and Life Member Leonard Rossi, C.L.J., Past Grand President and Life Member Emeritus Robert Acquistapace and Central Council Life Member Dante Galeazzi.

Your Workshop Committee discussed and planned a Training Power Point Presentation to redevelop skills for District and Branch Mentors. This will be an ongoing workshop for training Mentors online or in person.

The Workshop Committee is ready, now, to start planning immediately after the I.C.F. Convention for the months of September, October and November to have more Mentor Training Sessions online or in person

For more information, be sure to contact the Workshop Committee Chair, Andrew Pappani, or a Committee Member or the I.C.F. Office on helpful hints to schedule a District Workshop.

Past Grand President and Life Member of the Central Council

Andrew Pappani
