

January 1, 2023

Dear Members of the Federation,

The Apostolate Charity Report Form for the year 2023 is included with this mailing. Please note the due date is July 7, 2023. Branches should be working on compiling their statistics throughout the year.

In 2022, out of 106 active branches, we received 66 reports. Next year, I would love to see 100% of the branches sending in reports. All branches do apostolic and charitable activities, please submit a report, so we know about your activities. You should be proud of all the good work you do! The districts or areas with 100% participation for 2022 are: Contra Costa, East Bay, and Reno. The complete report was in the October 2022 Bollettino.

As a whole, in 2022, the ICF donated **\$\$275,237**. This is a slight increase from the previous year and branches are to be commended for continuing their good works during this difficult time. We also donated \$41,000 to Cooley's Anemia Research which was presented at the 2022 Convention. Dr. Coates and Laurice Levine are much appreciative of our efforts.

If you have any questions about the Apostolate Charity Report or concerns, please contact the Italian Catholic Federation office at 1-888-423-1924 or contact me at 707-478-3639.

Respectfully,

Lauren Kilcullen  
Chairperson of the Apostolate/Charity Committee

Committee Members: Rosemary Cook, Carmen Kilcullen and Nina Malone

Spiritual Director: Fr. Chris Bennett
