CANVA

INSTRUCTIONS

Pictures today are digital. Use them as they came off your phone or camera.
PLEASE do not compress or reduce your digital pictures to make them easier to email!

Downloading Canva files from your Phone

More and more people are finding Canva to be a good resource for creating flyers, ads, social media posts, and more. You might be one of them. This is a quick instruction of how to get your final yearbook entry out of Canva with the best outcome.

1. Create your entry at the right size:
full page - 7.5" x 9.875"
half page - 7.5" x 4.875"
quarter page - 7.5" x 2.375"
eighth page - 3.6875" x 2.375"
sixteenth page - 3.6875" x 1.125"
2. When you are happy with your results click on the "share" logo in the upper right corner.
3. This next screen gives you the option to Download. Click on that one.
4. Canva always suggests a PNG file. Please don't do that. Click on the menu to get the other options.
5. Click on PDF Print.
6. Make sure to click the Crop marks and bleed check box.
7. Click the Download button.
