DUES INCREASE AND REPORTING

- At our 2025 Annual Convention the Delegates present approved an increase of \$3.00 to the membership dues. This increase will begin in January of 2026.
- The billing percentages in the system cannot be changed until the New Year as some members are still paying for the current year during the 4th quarter. In order to simplify the billing process, we will not enter dues paid for 2026 until the 1st quarter of 2026. We are asking you to report dues for 2026 in one of two ways -- you can report dues paid for 2026 on the 4th quarter dues payment record but those payments will not be entered until 2026 and will be part of the March 31, 2026 billing instead of the December 31, 2024 billing. Or -- you can collect dues for 2026 in the 4th quarter but not report them until 2026. You would only report dues paid for 2025.
- Another issue to address - If members pay for a past year, they will have to pay the current rate not the rate of the past year. For example - you currently charge \$42.00 - in 2026 you will charge \$45.00. If a member pays for 2025 in 2026 they will need to pay the \$45.00 rate for 2025 and 2026.
- These simple steps will assist our office staff in processing the dues paid and avoid having to send two bills to the Branches because of the different billing rates.

If you have any questions, please contact the I.C.F. Office at 1-888-423-1924.
